2 All procurement of supplies, materials, equipment, and services paid for from county
3 school funds shall be the responsibility of the procurement department under the
4 general supervision of the Chief Procurement Officer and shall be made in
5 accordance with all applicable State statutes, Florida State Board of Education
6 Rules, School Board policies, and administrative procedures.

7 No person may make any purchase with Board funds unless authorized to do so by
8 Board policy or by administrative directive, or manuals approved by the
9 Superintendent.

10 The agency designated for making purchases with Board funds is the Board's
11 Procurement Management Services.

12 Payment for any unauthorized purchase may be the responsibility of the person
13 placing the order.

14 **Purchase Approval and Competitive Bidding Process Requirements**

15 Responsibilities

16 The Superintendent shall be responsible for the procurement of supplies, materials,
17 equipment, and services paid for from Board funds. The several schools,
18 departments and agencies of the District under the jurisdiction of the Board shall
19 purchase their materials or commodities through the Division of Procurement, the
20 Board's official purchasing agency. All purchases shall comply with law, rules,
21 regulations and Board policies. The Superintendent may approve or reject purchase
22 requisitions when the total amount does not exceed \$50,000 or the current
23 threshold set by statute. Purchases in excess of \$50,000 or current threshold set by
24 statute shall be approved by the Board except for those delineated below:

- 25 A. The Superintendent may be authorized to purchase commodities or
26 contractual services where the total amount does not exceed an
27 amount prescribed by the Board, and does not exceed the applicable
28 appropriation in the District budget. The Superintendent may also
29 be authorized to purchase commodities or is exempt by statute or
30 Florida Administrative Code, or contractual services under
31 Department of Management Services State term contracts.
32 Assistants functioning under the Superintendent's direction may be
33 authorized to perform these purchasing tasks.

- 1 B. In each school district in which the purchasing agent for any public
2 agency is authorized by law to make purchases for the benefit of
3 other governmental agencies within the county, the Board shall have
4 the option to purchase under the current contracts as established
5 for these public agencies at or below the stated unit price, if the
6 purchase is economically advantageous to the Board, and the items
7 purchased conform to the standards and specifications prescribed
8 by the Superintendent.
- 9 C. As required by F.S. 1001.42(12)(j), the Board shall receive and
10 consider available prices according to the rules of the Department of
11 Management Services, Division of Purchasing. The Board may use
12 prices established by the Division of Purchasing through its State
13 purchasing agreement price schedule. If Board policy provides for
14 purchasing under this state purchasing program, the conditions for
15 use shall be those imposed on State agencies.
- 16 D. In lieu of requesting competitive solicitations from three (3) or more
17 sources, the Board may make purchases at or below the specified
18 prices from contracts awarded by other city or county governmental
19 agencies, other school boards, community colleges, federal agencies,
20 the public or governmental agencies of any state, or from state
21 university system cooperative bid agreements, when the proposer
22 awarded a contract by another entity permits purchases by a school
23 board on the same terms, conditions, and prices (or below such
24 prices) awarded in the contract, and the purchases are economically
25 advantageous to the Board.
- 26 E. Except as authorized by law or rule, competitive solicitations shall
27 be requested from three (3) or more sources for any authorized
28 commodities or contractual services exceeding \$50,000.
- 29 F. The requirement for requesting competitive solicitations for
30 commodities or contractual services from three or more sources is
31 waived pursuant to F.S. 1010.04(4)(a), for:
- 32 1. the purchase by the Board of professional services which
33 shall include artistic services, academic program reviews,
34 lectures by individuals, auditing services not subject to
35 F.S. 218.391, legal services, including attorney, paralegal,
36 expert witness, court reporting, appraisal or mediator
37 services; and health services involving examination,
38 diagnosis, treatment, prevention, medical consultation or
39 administration; and

- 1 2. the purchase by the Board of educational services and
2 copyrighted materials including educational tests, textbooks,
3 printed instructional materials, computer software, films,
4 filmstrips, videotapes, DVDs, disc or tape recordings, digital
5 recordings, or similar audio-visual materials, and for library
6 and reference books, and printed library cards where these
7 materials are purchased directly from the producer or
8 publisher, the owner of the copyright, an exclusive agent with
9 the State, a governmental agency or a recognized educational
10 institution.
- 11 G. The Board shall have the authority to reject any or all proposals
12 submitted in response to any competitive solicitation and to request
13 new proposals or purchase the required commodities or contractual
14 services in any other manner authorized by this section.
- 15 H. Regarding invitations to bid, the Board may accept the proposal of
16 the lowest responsive, responsible proposer. Alternatively, the
17 Board may also award contracts to the lowest responsive,
18 responsible bidder as the primary awardee of a contract and to the
19 next lowest responsive, responsible bidder(s) as alternate awardees
20 from whom commodities or contractual services would be purchased
21 should the primary awardee become unable to provide all of the
22 commodities or contractual services required by the Board during
23 the term of the contract. Multiple awards to the lowest responsive
24 and responsible bidders are permitted when multiple awards are
25 clearly allowed by the bid solicitation documents.
- 26 I. Regarding requests for proposals, the Board may award contracts to
27 one or more responsive, responsible proposers in accordance with
28 the selection criteria published in the request for proposal. The
29 Board is not required to request proposals for purchases made from
30 contracts of the Department of Management Services.
- 31 J. The purchase of food products except milk, required for the School
32 Food Service Program and other ancillary food operations are
33 exempt from the bid requirements pursuant to State Board of
34 Education Rule F.A.C. 6A-7.0411(2)(i)2.
- 35 K. Additional exemptions authorized under certain conditions:
- 36 The requirements for requesting competitive solicitations and
37 making purchases for commodities and contractual services are
38 waived pursuant to F.S. 1010.04(4)(a), when the following conditions
39 have been met by the Board:

- 1 1. competitive solicitations have been requested in the manner
2 prescribed by this rule, and
- 3 2. the Board has made a finding that no valid or acceptable firm
4 proposal has been received within the prescribed time.

5 When such a finding has been officially made, the Board may enter
6 into negotiations with suppliers of such commodities and
7 contractual services and shall have the authority to execute
8 contracts with such vendors under the terms and conditions the
9 Board determines are in its best interests.

10 If fewer than two (2) responsive proposals for commodity or
11 contractual services are received, the Board may negotiate the best
12 terms and conditions or decide to reject all proposals. The Board
13 shall document the reasons that negotiating terms and conditions
14 with the sole proposer is in the best interest of the School District in
15 lieu of soliciting new proposals.

16 L. Commodities or contractual services available from a single source
17 may be exempted from the competitive solicitation requirements.
18 When the Board believes that commodities or contractual services
19 are available only from a single source, the Board shall electronically
20 or otherwise publicly post a description of the commodities or
21 contractual services for a period of at least seven (7) business days.
22 The description must include a request that prospective vendors
23 provide information regarding their ability to supply the
24 commodities or contractual services described. If it is determined in
25 writing by the Board, after reviewing any information received from
26 prospective vendors, that the commodities or contractual services
27 are available only from a single source, the Board shall provide
28 notice of its intended decision to enter a single source contract in
29 the manner specified in F.S. 120.57(3), and may negotiate the best
30 terms and conditions with the single source vendor.

31 M. The Board may dispense with requirements for competitive
32 solicitations for the emergency purchase of commodities or
33 contractual services when the Superintendent determines in writing
34 that an immediate danger to the public health, safety, or welfare or
35 other substantial loss to the school district requires emergency
36 action. After the Superintendent makes such a written
37 determination, the Board may procure commodities or contractual
38 services necessitated by the immediate danger, without requesting
39 competitive solicitations. However, such an emergency purchase
40 shall be made by obtaining pricing information from at least two (2)
41 prospective vendors, which must be retained in the contract file,
42 unless the Superintendent determines in writing that the time

- 1 required to obtain pricing information will increase the immediate
2 danger to the public health, safety, or welfare or other substantial
3 loss to the District.
- 4 N. A contract for commodities or contractual services may be awarded
5 without competitive solicitations if State or Federal law, a grant or a
6 State or Federal agency contract prescribes with whom the Board
7 must contract or if the rate of payment is established during the
8 appropriations process.
- 9 O. A contract for regulated utilities or government-franchised services
10 may be awarded without competitive solicitations.
- 11 P. As much as practicable, all purchases shall be based on contracts,
12 purchasing card systems, electronic procurements or purchase
13 orders.
- 14 Q. The Board, when acquiring, whether by purchase, lease, lease with
15 option to purchase, rental or otherwise, information technology, as
16 defined in F.S. 282.0041(15), may make acquisitions through the
17 competitive solicitation process or by direct negotiation and contract
18 with a vendor or supplier, as fits the needs of the School District as
19 determined by the Board.
- 20 R. Except as otherwise required by statute, the Board, when
21 purchasing insurance, entering risk management programs, or
22 contracting with third party administrators, may use the competitive
23 solicitation process or direct negotiations and contract.
- 24 S. Emergency purchases made and approved by the Superintendent or
25 the Superintendent's designated representative. The
26 Superintendent will report all emergency purchases to the Board, as
27 soon as possible.
- 28 When an emergency arises, circumstances contributing to such an
29 emergency shall be communicated to the proper department or
30 agency of the Board, which in turn will notify Procurement
31 Management, requesting the emergency purchase.
- 32 A requisition for an emergency purchase shall be accompanied by
33 the appropriate Emergency Purchase Request Form, explaining the
34 circumstances creating the emergency and clarifying that immediate
35 action is required to protect the Board's interests. Emergency
36 purchases are divided into two (2) categories as follows:
- 37 1. Emergency Purchase Request (Form B FM-3739) estimated
38 expenditure \$50,000 and under requires the signature of the

- 1 initiating administrator, recommended by Director or above

8 \$50,000 shall be reported to the Board.
- 9 T. Competitive bidding is waived for purchases of maintenance and/or
10 service contracts, on various types of technical equipment, that are
11 offered and/or supplied only by the original manufacturer or its
12 representative, or that are required to maintain the integrity of the
13 manufacturer's warranty, or that are part of the manufacturer's
14 rental/lease/lease purchase agreements terms and conditions.
- 15 U. Non-Purchase Order Invoice Funds Reservation Purchases are

21 purchases require the same financial authorization and approval
22 process as purchase requisitions and shopping carts. Those
23 purchases for goods and services, expenditures, fund transfers, etc.,
24 that are authorized for Non-Purchase Order Invoice Funds
25 Reservation Purchases are limited to include various types of fund

2 In the event that Procurement Management Services wishes to make a
3 recommendation of an award of a bid to a bidder who has deviated from
4 specifications, or in which there is any irregularity, the report recommending such
5 an award should contain in detail: the manner in which the bid deviates from the
6 specifications or is irregular, the reasons for the recommendation of the award, and
7 approval by the Board Attorney.

8 **Award Recommendation**

9 Notice of Intended Action will be posted on the District's website for Procurement
10 bids no later than the Friday preceding the week when the award is scheduled to be
11 made by the Board or Superintendent.

12 **Official Award Date**

13 Awards become official when made, unless otherwise specified in the award
14 recommendation.

15 **Contract Renewals**

16 The Board shall have the authority to award bids and reject any or all bids. The
17 Superintendent shall have the authority to exercise, in subsequent years, any
18 renewal options included in a bid solicitation, provided terms and conditions are
19 favorable for the School District and subject to the availability of funds.

20 **Legal Basis for Procedures**

21 The procedures for the purchase of commodities and services, and construction of
22 facilities for the District shall comply with the Florida statutes and the Florida
23 Administrative Code.

24 **Bidding**

25 It is the policy of the Board that the Superintendent shall be responsible for
26 estimating needs for items in common use and making quantity purchases. All
27 items, or group of related items that cost in excess of the amount defined in
28 F.A.C. 6A-1.012(6), shall be purchased based on competitive bids, except as
29 otherwise authorized by Florida statutes and/or Florida Administrative Code.

1 **Competitive Bidding Requirements**

2 Definitions

3 A. The term "competitive solicitation" includes purchasing made
4 through the issuance of an Invitation To Bid, Request For Proposals
5 and Invitation To Negotiate. Competitive solicitations are not
6 required for purchases made through the pool purchase provisions
7 of F.S. 1006.27.

8 B. "Invitation To Bid" is a written solicitation for competitive sealed
9 bids. The Invitation To Bid is used when the Board is capable of
10 specifically defining the scope of work for which a contractual
11 service is required or when the Board is capable of establishing
12 precise specifications defining the actual commodity or group of
13 commodities required.

14 C. "Invitation To Negotiate" is a written solicitation for competitive
15 sealed replies to select one or more vendors with which to negotiate
16 for the procurement of commodities or contractual services. The
17 Invitation To Negotiate is used when the Board determines that
18 negotiations may be necessary for it to receive the best value.

19 D. "Request For Proposals" shall be defined for the purposes of this rule
20 as a written solicitation for competitive sealed proposals. The
21 Request For Proposals is used when it is not practicable for the
22 Board to specifically define the scope of work for which the
23 commodity, group of commodities, or contractual service is required
24 and when the Board is requesting that a responsible vendor propose
25 a commodity, group of commodities, or contractual service to meet
26 the specifications of the solicitation document.

27 E. The term "proposer" includes those vendors submitting bids or
28 responses to a competitive solicitation.

29 The major consideration given to bid evaluations is lowest price meeting
30 specifications.

1 When the determination is made that a bid is appropriate, the performance
2 specifications and standards requirements shall be spelled out in detail and shall be
3 furnished to Procurement Management. After review, Procurement Management
4 shall issue the Invitation For Bids, including all general and special conditions, and
5 evaluate the bids submitted. The requirements for solicitation and review of bids by
6 the ~~Procurement Contract Review~~ Goal Setting Committee (~~PCRC~~) (GSC) shall be
7 followed in all cases. Board approval is required for contracts recommended for
8 award.

9 For each purchase of more than \$50,000, bids shall be requested from three (3) or
10 more sources. Notices of bids shall be electronically posted or may be sent to all
11 vendors on the active vendor mailing list for that category of goods or services. This
12 list shall include all minority/women vendors identified with the Board for that
13 particular category of goods or services, as well as organizations involved in assisting
14 M/WBE firms, by posting and disseminating information regarding available
15 contracts. Notices of bids shall be advertised in one or more major, local
16 newspapers or electronically posted at least seven (7) days prior to the bid opening
17 date. This may include, as necessary, major newspapers having circulation
18 representative of the various relevant minority classifications or electronic posting.
19 Tabulations of current bids shall be retained in bid files and shall be available for
20 reference. Standard bid forms used shall be as approved by the Superintendent and
21 the Board Attorney.

22 A. Written, Telephone, or Electronic Quotations

23 For each purchase of \$50,000 or less and over the minimum
24 quotation threshold established by Procurement Management, staff
25 shall obtain written, telephone, or electronic quotations from
26 three (3) or more sources. If possible, vendors contacted shall
27 include M/WBE vendor participation. If only one of those sources
28 respond with prices, two (2) additional sources, if available, may be
29 contacted for pricing, including, if possible, an M/WBE vendor. If
30 no additional prices are obtained from those sources, the award
31 shall be made to the lowest and best price quotation. If all three (3)
32 of the vendors first contacted for prices respond with valid price
33 quotations, the award shall be made to the lowest price quotation
34 meeting specifications, with no additional requests from other
35 vendors required.

1 Quotations obtained shall be attached to the purchase order by
2 written notations or electronic reference indicating prices and
3 sources thereof, and certification of same by signature, electronic
4 signature, or facsimile. The requisition shall be approved for
5 purchase as authorized by the Superintendent.

6 B. Schools making internal fund purchases shall comply with
7 Policy 6610.

8 **Quantity Purchasing--Development of Specifications, Determination of**
9 **Quantities and Standardization of Supplies And Equipment**

10 A. To help achieve both quality control and the price advantages of
11 quantity purchasing, the administration is directed to:

- 12 1. set specifications for goods and services as needed;
- 13 2. cite several existing, commercially available "standard
14 brands" that meet those specifications acceptably as
15 examples; and
- 16 3. invite vendors to bid on those examples, or equal ones, which
17 the vendors believe to be acceptable according to the
18 specifications.

19 B. All bid quantities and specifications shall be transmitted to the
20 Division of Procurement Management by the originating department,
21 in writing. The originating department shall also certify to the
22 Division of Procurement Management, in writing, that the
23 specifications for an existing bid (to be rebid) are still appropriate
24 before issuance of the bid. If the specifications are originated by the
25 Division of Procurement Management, it shall follow similar
26 certification procedures.

- 1 C. All increases to quantities specified in an existing term bid requiring
2 a supplemental bid award shall be requested in writing by the
3 originating department, countersigned by an administrator reporting
4 directly to the Superintendent identifying the reason why the
5 increase in quantities was unavoidable. If an adequate reason
6 cannot be identified, then the corrective action to be taken by the
7 originating department to prevent a future underestimate of
8 quantities shall be described. A similar procedure will be followed
9 for term bids originated by the Division of Procurement
10 Management.
- 11 D. All changes to specifications for an existing bid (to be rebid) or
12 similar bid shall be identified in writing, including the reason for the
13 change, by the originating department or the Division of
14 Procurement Management, if originator.
- 15 E. The District Director, Division of Procurement Management, shall
16 initiate procedures to assure the identification of specifications
17 which appear to limit the bidding process to a single vendor. In the
18 event that the District Director has identified such a set of
19 specifications, the originating department shall be required to justify
20 in writing, those specifications which appear to favor a single
21 vendor. This documentation shall be countersigned by an
22 administrator reporting directly to the Superintendent.

23 **Request For Proposals and Professional Services Contracts**

24 For purposes of this rule, Professional Service is any type of personal service to the
25 District which requires as a condition precedent to the rendering of such service:

- 26 A. the obtaining of a license or other legal authorization; or
- 27 B. work which can only be performed by one who has achieved a high
28 level of training and proficiency in the work to be performed.

1 **Request For Proposals**

2 The Request For Proposal shall be used when seeking to contract for professional
3 services, and when it is not practicable for the agency to specifically define the scope
4 of work for which the commodity, group of commodities, or contractual service is
5 required and when the agency is requesting that a responsible vendor proposed a
6 commodity, group of commodities, or contractual service to meet the specifications
7 of the solicitation document. A written solicitation includes a solicitation that is
8 electronically posted.

9 The following process shall be followed for the Request For Proposal:

- 10 A. If the cost of the contract is estimated to be more than \$50,000
11 annually:

13 For Proposal. The committee shall consist of at least:
14 (1) Two (2) individuals from the originating bureau/office,

18 Division of Business Development Office of Economic
19 Opportunity and Assistance; and (4) one (1) individual from

21 members may be appointed at the discretion of the
22 Superintendent or his/her designee. The committee shall to
23 the extent possible, be ethnically and gender representative.
 - 24 2. The Procurement Contract Review Goal Setting Committee
25 shall review the Request For Proposal to determine Small
26 Business Enterprise (SBE), Micro Business Enterprise (MBE),
27 Minority/Women Business Enterprise (M/WBE) ~~minority~~
28 participation in the project, prior to issuing the Request For
29 Proposals.
 - 30 3. The Request For Proposal shall be advertised to solicit
31 maximum vendor participation. To enhance Minority/Women
32 Business Enterprise (M/WBE) participation, it is
33 recommended that all advertisements be published and
34 announced in major ethnic publications and organizations, as
35 outlined in applicable Board policies.
 - 36 4. Board approval of recommendations by the evaluation
37 committee shall be obtained after the evaluation process is
38 completed and prior to the issuance of the contract.

- 1 B. If the contract is estimated to cost less than \$50,000 annually:
- 2 1. There must be evidence that at least three vendors were
- 3 contacted in writing, and if possible, at least one of these
- 4 vendors shall be a Minority/Women Business Enterprise.
- 5 2. If only one potential vendor is known, an advertisement shall
- 6 be placed in an appropriate publication that is widely
- 7 distributed. If no responses are received, the contract can be
- 8 developed with the one known vendor, in accordance with
- 9 other established procedures.
- 10 C. The Request For Proposal shall include an implementation schedule
- 11 consisting of the following:

- 22 3. Price
- 23 4. M/WBE Participation
- 24 5. Other Instructions

- 1 E. Evaluation Committee Meetings
- 2 1. When committees are established to evaluate Request For
3 Proposals, the originating department (Chairperson) will
4 conduct the meetings, and ensure that: (1) minutes are
5 recorded; and (2) proper documentation and records of
6 committee actions are maintained. A copy of the minutes
7 shall be forwarded to Procurement Management Services for
8 inclusion in the master file.
- 9 2. Subsequent to required oral interviews, and discussions, the
10 evaluation committee will evaluate proposers and prepare a
11 recommendation. The written recommendation and all other
12 pertinent documentation shall be forwarded by the Chair of
13 the evaluation committee to Procurement Management
14 Services.

16 requests for further exceptions to this rule. Such exceptions
17 may be granted in the case of sole sources, contractors
18 having specific expertise or as otherwise determined by the
19 committee to be in the best interest of the Board. Exceptions
20 recommended by the committee will be submitted to the
21 Board for approval for contracts with an annual estimated
22 cost of more than \$50,000.

23 In instances where the contract is estimated to cost less than \$50,000, but more
24 than the threshold established for quotations, and an exception for the procedure
25 outlined above is sought, the contract does not have to be submitted to the Board
26 for approval if the Committee has granted an exception pursuant to this policy.

27 The Board may make further exceptions to this policy on a case-by-case basis.

28 **Identical Prices--Priorities for Award**

29 When identical prices are received from two or more vendors and all other factors
30 are equal, priority for award shall be given to vendors in the following sequence:

32 place program shall be given preference in accordance with the

19 items.

20 If application of the above criteria does not indicate a priority for award, Board
21 administration shall determine if the award is capable of being split, and, if the
22 vendors will agree to split the award. If the award cannot be split, or the vendors do
23 not agree to split the award, the award will be decided by the toss of a coin. The
24 toss of a coin shall be held publicly, with the tie low bid vendors invited to be
25 present as witnesses and participants. A staff member from the Division of
26 Procurement Management will preside over the coin toss and a member from

31 preference in favor of certified service disabled veteran businesses. The state,
32 through its Department of Management Services, will develop a certification
33 procedure.

1 In assessing priorities for award, when identical prices are received from two or more
2 vendors and all other factors are equal, priority for award shall be given to a certified
3 service-disabled veteran business enterprise as defined by F.S. 295.187. In the event
4 there are two or more certified-disabled veteran business enterprises entitled to the
5 preference, then the award shall be given to the business having the smallest net
6 worth.

7 The vendor preference for certified service-disabled veteran businesses shall be
8 subordinate only to the vendor preference for businesses implementing a drug-free
9 workplace.

10 In adopting a major tenet of the Veterans Entrepreneurship and Small Business
11 Development Act of 1999, (Public Law 106-50), which applies to Federal agencies,
12 the Board goal for participation by service disabled veteran business enterprises
13 shall be established at three percent (3%) of the total value of all prime

23 fourteen (14) months from date of termination of award by the Board. The
24 ineligibility shall be applicable to the principals individually and the entity, as well

26 awardee fails to pay the liquidated damages within fifteen (15) days after it is
27 invoked, the awardee shall lose eligibility to transact new business with the Board

3 Committee. Vendors will be required to submit a request for reinstatement
4 including, but not limited to, information as to their status as a responsible vendor
5 and what steps have been taken to avoid such a situation which caused their
6 suspension as a District vendor. Procurement Management Services will notify the
7 Board of all vendors denied reinstatement, and the reasons for denial.

8 "Principal" is defined as an officer of a corporation, partner of a partnership, sole
9 proprietor of a sole proprietorship, trustee of a trust, or any other person with
10 similar supervisory functions with respect to any legally organized entity.
