

Ms. Perla Tabares Hantman, Chair

SUBJECT: ESTABLISHMENT OF PROPER PROTOCOL FOR TIMELY NOTIFICATION OF THE SCHOOL BOARD ON EVENTS RELATED TO THE SCHOOL BOARD, ITS MEMBERS, AND THE SUPERINTENDENT

COMMITTEE: INNOVATION, EFFICIENCY AND GOVERNMENTAL RELATIONS

LINK TO STRATEGIC FRAMEWORK: STUDENT, PARENT, AND COMMUNITY ENGAGEMENT

As the fourth largest school district in the nation, the Miami-Dade County Public School System (M-DCPS) is in an issue-driven community that generates a larger than usual number of events and daily activities attracting extensive coverage by the most diverse multilingual media market in the United States.

The immediacy of news and the increasing number of media outlets require that School Board Members of Miami-Dade County stay informed of the events and activities related to the School District happening in our community, especially those related to the School Board Members and the Superintendent. Just as School Board Members are notified ahead of time, via memorandum, of upcoming media coverage related to M-DCPS, they should also be notified of upcoming recognition events related to the School Board Members and the Superintendent.

**ACTION PROPOSED BY CHAIR
PERLA TABARES HANTMAN:**

That The School Board of Miami-Dade County, Florida, authorize the Superintendent to establish a system in conformity with protocol procedures of notifying the School Board of upcoming recognition events related to School Board Members and the Superintendent on or before the June 18, 2014 School Board meeting.
