SUBJECT: PROPOSED AMENDMENT OF BOARD POLICY: INITIAL READING POLICY 6320.02, SMALL/MICRO BUSINESS ENTERPRISE PROGRAM AND MINORITY/WOMEN BUSINESS ENTERPRISE CERTIFICATION

COMMITTEE: INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS

LINK TO STRATEGIC FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY

The School Board of Miami-Dade County, Florida, voted on November 11, 2012 to create a Small/Micro Business Enterprise Program and Minority/Women Business Enterprise Certification and adopted Board Policy 6320.02 to implement the program. The intent of the program is to provide a race and gender-neutral process designed to encourage greater availability, capacity development and contract participation in School Board contracts. In an effort to allow for greater small business participation, District staff continuously reviews the program to determine whether various procedures used to enhance participation should be adjusted to achieve the stated program objectives.

Approval of these proposed policy revisions is requested to provide greater Small/Micro Business Enterprise Program availability and contract participation in Board contracts. Specifically, the policy defines all categories not previously defined in the original policy, clarifies language for Miami-Dade County based businesses, combines the construction and specialty trade categories and threshold values, revises the professional services category to create new thresholds for a new category and revises the goods and services category and threshold value.

Attached is the Notice of Intended Action and the proposed policy amendments. Changes are indicated by underscored words to be added and striking-through words to be deleted.

Authorization of the Board is requested for the Superintendent to initiate rulemaking proceedings in accordance with the Administrative Procedure Act to amend School Board Policy 6320.02, Small/Micro Business Enterprise Program and Minority/Women Business Enterprise Certification.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, authorize the Superintendent to initiate rulemaking proceedings in accordance with the Administrative Procedure Act to amend School Board Policy 6320.02, Small/Micro Business Enterprise Program and Minority/Women Business Enterprise Certification.

**Small/Micro Business Enterprise Program**

The Small/Micro Business Enterprise (SBE/MBE) Program is a race and
gender-neutral process to provide greater SBE/MBE availability, capacity
development and contract participation in Board contracts, to advance the Board’s
compelling interest in ensuring that it is neither an active nor passive participant in
private sector marketplace discrimination, and to promote equal opportunity for all
segments of the contracting community to participate in Board contracts.

**Terms and Definitions**

A. **Affirmative Procurement Initiatives** – any procurement tool to
enhance contracting opportunities for SBE/MBE firms including:

To perform a commercially useful function, the SBE/MBE must also be responsible for negotiating the price of contract materials and supplies, determining the quantity and quality of materials, ordering and installing materials if applicable, and paying for the materials. To determine whether an SBE/MBE is performing a commercially useful function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the SBE/MBE is to be paid under the contract is commensurate with the work it is actually performing and the SBE/MBE credit claimed for its performance of the work, and other relevant factors. Specifically, an SBE/MBE does not perform a commercially useful function if its role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of meaningful and useful SBE/MBE participation, when in similar transactions in which SBE/MBE firms do not participate, there is no such role performed.

**N. Goods and Services** – refer to all items, supplies, materials and general support services, except consulting services and infrastructure projects, which may be needed in the transaction of public business or in the pursuit of any government undertaking, project or activity. only. Business firms that are owned by other businesses or by the
principals or owners of other businesses that cannot themselves
qualify under the eligibility requirements shall not be eligible to
participate in the program. The day-to-day management of the firm
must also be direct and independent of the influence of any other
businesses that cannot themselves qualify under the eligibility

The Superintendent shall also prepare necessary procedures, bid and contract documents to implement the program.

Subcontractor Goals

Subcontractor goals may be applied to a contract based on estimates made prior to bid advertisement of the quality, quantity and type of subcontracting opportunities provided by the contract and the availability of SBE/MBEs to perform the work.

A. The OEO shall certify a company or other business entity as a SBE or MBE upon its submission of a completed District required certification form, supporting documentation, and a signed affidavit stating that it meets all of the following criteria:

1. Is an independently owned and operated business that is not dominant in its field of operation and is performing a commercially useful function.

The Superintendent shall develop procedures to implement this policy.

Additionally, the requirements for SBE/MBE Program eligibility based on industry are:

C. Upon receipt of a certification or re-certification application, the OEO shall review all enclosed forms, affidavits and documentation and determine whether the applicant satisfies the eligibility requirements. The OEO shall send a letter to ineligible applicants stating the basis for the denial of eligibility. Applicants determined ineligible shall not be eligible to submit a new application for at least one (1) year after the date of the notice of denial of eligibility.

D. Applicants determined eligible to participate in the program shall submit a completed re-certification form (SBE/MBE-R) every two (2) years to the OEO for review and continued certification. However, upon application for re-certification, an SBE/MBE firm must be an independently owned and operated business concern, and maintain its principal place of business or have a significant employment presence in Miami-Dade County in accordance with this policy. To qualify for recertification, the firm’s average gross revenue for the three (3) fiscal years immediately preceding the application for recertification shall not exceed $9 million for construction, $6 million for goods and services, $2.5 million for specialty trade, or $2.5 million for professional services. The eligibility criteria
regarding years of existence shall only apply for the initial certification.
E. In considering certification or re-certification status of any firm, the OEO shall periodically conduct audits and inspect the office, job site, records, and documents of the firm, and shall interview the firm’s employees, subcontractors, and vendors as reasonably necessary to ensure that all eligibility standards are satisfied and that the integrity of this program is maintained.

Graduation and Suspension

A bidder may not count towards its SBE/MBE participation the amount subcontracted to an SBE firm that has graduated or been suspended from the program as follows:

A. An SBE shall be permanently graduated after its three (3) fiscal year average gross revenue exceeds $9 million for construction, or $6 million for goods and services, $2.5 million for specialty trade, and $2.5 million for professional services.

B. When an MBE exceeds the eligibility certification thresholds, it automatically graduates and is subject to the small business criteria and restrictions.

C. If an SBE exceeds the size standards for the Small Business Program during any fiscal year, it shall be allowed to complete any pending contractual obligation(s), and its participation can be counted in the goals.

D. The OEO may permanently revoke SBE/MBE eligibility if it fails to perform a commercially useful function under a contract, or if it allows its SBE/MBE status to be fraudulently used for the benefit of a non-SBE/MBE firm or the owners of a non-SBE/MBE firm so as to provide the non-SBE/MBE firm or firm owners benefits from Affirmative Procurement Initiatives for which the non-SBE/MBE firm and its owners would not otherwise be entitled.

E. The OEO shall provide written notice to the SBE/MBE upon graduation or suspension from the SBE/MBE program including the reasons.
Appeals

A business that is denied eligibility, whose eligibility is revoked, or who has been denied a waiver request, may appeal the decision to the Superintendent. A written notice of appeal must be received by the Superintendent within fifteen (15) calendar days of the date of the written notice. Upon receipt of a timely notice of appeal, the Superintendent shall conduct a hearing. The Superintendent shall develop procedures for the appeal process and report quarterly to the Board on the status of appeals.

Affirmative Procurement Initiatives

The following Affirmative Procurement Initiatives may be used in awarding Board contracts to SBE/MBEs.

A. Bonding Waiver. The Board, at its discretion and consistent with State law, may waive or reduce the bonding requirements depending on the type of contract and whether the Board determines that the bonding requirements would deny the SBE/MBE an opportunity to perform the contract which the SBE/MBE has shown itself otherwise capable of performing.

B. Bid Incentives:

Evaluation Preference – In ranking and evaluating proposals for “best value” contracts in which factors other than price are relevant to the selection process, the Board may award up to twenty percent (20%) of the total points available to a SBE/MBE or a joint venture with an SBE/MBE partner in response to a request for proposal.

C. Mandatory Subcontracting:

1. The GSC may at its discretion and on a contract-by-contract basis, require that a predetermined percentage up to forty percent (40%) of a specific contract be subcontracted to eligible SBE/MBEs.

2. An SBE/MBE prime contractor may not subcontract more than forty-nine percent (49%) of the contract value to a non-SBE/MBE.
3. A prospective bidder on a Board contract shall submit at the
time of bid SBE/MBE – Form S providing the name of the
SBE/MBE subcontractor or subcontractors and describing
both the percentage of subcontracting by the SBE/MBE and
the work to be performed by the SBE/MBE. A bidder may
request a full or partial waiver of this mandatory
subcontracting requirement from the OEO for good cause by
submitting the SBE/MBE Unavailability Certification Form to
the OEO prior to bid opening. Under no circumstances shall
a waiver of a mandatory subcontracting requirement be
granted without submission of adequate documentation of
good faith efforts by the bidder and careful review by the
OEO. The OEO shall determine a waiver request upon the
following criteria:

a. whether the requestor of the waiver has made good
faith efforts to subcontract with qualified and available
SBE/MBE

b. whether subcontracting would be inappropriate and/or
not provide a “commercially useful function” under the
circumstances of the contract

c. whether there are no certified SBE/MBEs that are
qualified and available to provide the goods or services
required

4. In the absence of a waiver granted by the OEO, failure of a
prime contractor to commit in its bid or proposal to satisfying
the mandatory SBE/MBE subcontracting goal shall render its
bid or proposal non-responsive.

5. In the absence of a waiver granted by the OEO, failure of a
prime contractor to attain a mandatory subcontracting goal
for SBE/MBE participation in the performance of its awarded
contract shall be grounds for termination of existing contracts
with the Board, debarment from performing future Board
contracts, and/or any other remedies available under the
terms of its contract with the Board or under the law.
6. A prime contractor is required to notify and obtain written approval from the OEO in advance of any reduction in subcontract scope, termination, or substitution for a designated SBE/MBE Subcontractor. Failure to do so shall constitute a material breach of its contract with the Board.

D. Sheltered Market:

1. The OEO and GSC may select certain contracts for award to a SBE/MBE or a joint venture with a SBE/MBE through the Sheltered Market program.

2. In determining whether a particular contract is eligible for the Sheltered Market Program, the OEO and GSC shall consider whether there are at least three (3) SBE/MBEs that are capable and available to participate in the Sheltered Market Program for that contract; the degree of underutilization of the SBE/MBE prime contractors in the specific industry categories; and the extent to which the Board’s SBE/MBE prime contractor utilization goals are being achieved.

3. If a responsive and responsible bid or response is not received for a contract that has been designated for the Sheltered Market Program, or the apparent low bid is determined to be too high in price, the contract shall be removed from the Sheltered Market Program.

SBE/MBE Program Performance Review

A. The OEO shall monitor the implementation of this policy and the progress of this program. On a quarterly basis, the OEO shall report to the Superintendent and Board on the progress of achieving the goals and objectives established for awards to certified SBE/MBE firms, reporting both dollars awarded and expended. In addition, the OEO shall report on the progress in achieving the stated program objectives, including, but not limited to, enhancing competition, establishing and building new business capacity, and removing barriers to and eliminating disparities in the utilization of available minority business enterprises and women business enterprises on Board contracts.
B. The Board shall quarterly review the SBE/MBE Program to determine whether the various contracting procedures used to enhance SBE/MBE contract participation needs to be adjusted or used more or less aggressively in future years to achieve the stated program objectives.

Minority/Women Business Enterprise Program

The Minority/Women Business Enterprise (MWBE) Program is established to enhance the bidding and selection opportunities of M/WBEs on certain contracts as specifically provided in Board Policy 6610. The M/WBE Enterprise Program and its certification procedure should be modified, adjusted and revised in accordance with the results of the Disparity Study.
