Inasmuch as bids for Items 5 and 6 do not meet specifications and no bids were received for Items 14, 15, 18, 19, 22, 23, 25 and 26, the recommendation reflects that these items be rejected. Competitive prices will be solicited for these items, as the need arises, pursuant to Purchasing Policy 6320, Purchase Approval and Competitive Bidding Process Requirements, which describes the procedures and guidelines to be used for bidding based on the estimated dollar expenditure. Additionally, Items 8 through 12, 16, 17, 20 and 24 are being awarded to a primary vendor only as only one bid meeting specifications was received.

Strategies were employed to increase S/MBE and M/WBE participation, however, the list of registered vendors with the District does not reflect certified S/MBE or M/WBE firms for this category.

COMMITTEE: FACILITIES AND CONSTRUCTION REFORM

**LINK TO STRATEGIC
FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY**

The purpose of this bid is to furnish, at firm unit prices and percentage discounts, clocks, and clock and intercom-system parts, for Maintenance Operations and Maintenance Materials Management stock. This is a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Three (3) vendors responded to this advertised solicitation. This bid is being awarded to primary and alternate vendors.

The term of the bid shall be for one (1) year from the date of award and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the awardees, be extended for one (1) additional one (1) year period and, if needed, ninety (90) days beyond the expiration date of the current contract period.

Benchmarking was conducted against the previous bid, which was awarded by the Board in 2008. Prices were found to be unchanged. Staff attempted to benchmark against Miami-Dade County and the Florida Department of Management Services, however, there were no tangible similarities in the structure of the bids wherein benchmarking could be performed.
