COMMITTEE: FACILITIES AND CONSTRUCTION

LINK TO STRATEGIC BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES

Background

Coral Bay Cove, LLC (the "Applicant") is in the process of obtaining Plat approval from Miami-Dade County ("County") for a 224-unit residential development ("Residential Development") on approximately 9.72 acres, located at 14201 S.W. 260 Drive, Unincorporated Miami-Dade County, contingent upon the Applicant obtaining a school

concurrency determination from the District, in accordance with the terms of the Interlocal Agreement for Public School Facility Planning Between Miami-Dade County And Miami-Dade County Public Schools ("ILA").

Pursuant to State Statutes and the ILA, the Residential Development application was reviewed by the District for compliance with Public School Concurrency. The review yielded that the applicable Level of Service ("LOS") standard was met at the middle school and high school levels, but is deficient by forty-one (41) elementary school seats. The impacted school is Coconut Palm K-8 Academy.

Proportionate Share Mitigation

Pursuant to the ILA, where there is insufficient capacity to address the impacts of a proposed development, representatives of the Applicant, impacted local government and District (collectively "the Parties") are to discuss ways of mitigating the development's impact, including proportionate share mitigation options ("Mitigation"). After several meetings, the Parties have reached consensus on Mitigation, subject to Board and County approval; this also allows the Parties to enter into a Public School Concurrency Proportionate Share Mitigation Development Agreement ("Agreement"), pursuant to the ILA.

Under the governing provisions, the minimum acceptable mitigation project is a classroom. In this case, to address the deficiency of forty-one (41) elementary student stations, Mitigation by the Applicant will be a monetary contribution equal to the cost of two (2) elementary school classrooms containing twenty-two (22) student stations each, for a total of forty-four (44) student stations (the "School Project"). To facilitate the proposed School Project, a line item in the amount of \$999,548 (the "Mitigation Cost") will be included in the District's Facilities Work Program as part of the next update, for the creation of forty-four (44) elementary school student stations as part of a proposed addition at Coconut Palm K-8 Academy. The Mitigation Cost was derived based on the cost per student station, as published by the State of Florida DOE, for March of 2019, the date by which implementation of the School Project would likely start.

It should be noted that as required under state law and the ILA, the Applicant will be eligible to receive Educational Facilities Impact Fee Credits in an amount currently estimated at \$351,248. The final amount of the Educational Facilities Impact Fee Credit will be adjusted to reflect the actual impact fees assessed by the County for the Residential Development, once all the residential permits are issued.

Mitigation Banking

As stated above, the School Project will yield forty-four (44) student stations, or three (3) seats beyond the forty-one (41) student stations required to address the Residential Development's impact. Pursuant to the governing ILA, the three (3) remaining seats will be made available through a Mitigation Bank to be established and administered by the District for future purchase by applicants for future residential developments affecting the same Concurrency Service Area and also in need of providing mitigation at the elementary school level.

Public School Concurrency Proportionate Share Mitigation Development Agreement

The Agreement between the Board, County and Applicant shall contain, substantially, the following terms and conditions:

- the Applicant shall make an upfront monetary contribution to the Board of \$999,548, which is the estimated cost of constructing forty-four (44) elementary school student stations based on the March 2019 cost per student station published by the DOE;
- the monetary contribution shall be made in two separate disbursements to the Board totaling \$999,548, within thirty (30) calendar days following the full and proper execution of the Agreement, as follows: the Applicant shall provide payment to the District of \$499,774 via a Cashier's Check or similar instrument; and the Applicant shall also provide the District with an Irrevocable Standby Letter of Credit ("Letter of Credit"), from a Florida Qualified Public Depository Bank, in the amount of \$499,774, which Letter of Credit can be drawn by the School Board upon demand. The Letter of Credit shall be called by the District for its full cash value on October 26, 2018, or upon issuance by the local jurisdictional authority of 50% plus one (1) building permits for the Residential Development, whichever comes first, if the Applicant has not provided a payment of \$499,774 via a Cashier's Check or similar instrument prior to that date;
- the value of the School Project is to be added to the District's Facilities Work Program at the time of its next annual update following the execution of the Agreement and upon receipt of the full monetary contribution from the Applicant, as detailed above;
- upon the full execution of the Agreement by all appropriate Parties and receipt of full payment from the Applicant, the District shall issue a Finding of Available School Facility Capacity ("Finding"). Issuance of the Finding by the District shall be a pre-condition to issuance of building permits by the County for the subject Residential Development;
- as required under state law and the ILA, the District shall provide an Educational Facilities Impact Fee Credit, estimated at \$351,248, toward any Educational Facilities Impact Fees imposed by County ordinance for construction of the Residential Development. The final Educational Facilities Impact Fee Credit amount shall be determined by the County, pursuant to the then current Miami-Dade County School Impact Fee Ordinance;
- the selected monetary contribution, which will provide for the cost of construction by the District of forty-four (44) elementary school seats, results in three (3) seats in excess of the forty-one (41) seats needed to be mitigated by the Applicant. The District shall establish and administer a Mitigation Bank, which, in this instance, will have three (3) Banked Seats available for purchase by future

applicants failing to meet concurrency at the elementary school level within the same CSA. There will be no reimbursable value to the Applicant for the Banked Seats;

- the Banked Seats may be purchased within a period of six (6) years from the date the School Board authorized the execution of this Agreement. Any remaining Banked Seats shall be deemed expired at that time;
- future residential developments may purchase Banked Seat(s) only if the Mitigation Bank has sufficient number of available seats to provide for the entire school capacity deficiency. In the event that in the future, multiple Mitigation Banks are created for the same Concurrency Service Area, the Banked Seats shall be transferred to future residential developments in the order in which each Mitigation Bank was created;
- the Agreement shall expire upon the Parties' completion of their performance of all obligations or within six (6) years from the date that the Agreement is executed by all Parties, whichever comes first;
- the Applicant may assign its rights, obligations and responsibilities under this Agreement to a third party purchaser of all or any part of fee simple title to the Residential Development. Any such assignment shall be in writing and shall require the prior written consent of all of the Parties;
- the Applicant shall pay all recordation costs to the District necessary to record the Agreement and any related documentation, including without limitation, Assignments, if any, and Releases;
- in the event of any dispute among the Parties, each Party shall be responsible for its own Attorney's fees, and the Parties waive trial by Jury in any action, proceeding or counterclaim brought by any Party against any other Party or Parties with respect to any matter arising under this Agreement; and
- for purposes of this Agreement, the Superintendent or his/her designee shall be the Party designated by the Board to grant or deny any and all approvals required under the Agreement, including, without limitation, issuance of Reports and Releases, and placing the Applicant in default, as may be applicable.

The Agreement has been reviewed and approved for legal sufficiency by the School Board Attorney's Office, as well as reviewed by the Office of Risk and Benefits Management and found to be in compliance with risk management requirements. The Agreement, in final form, is attached hereto as Exhibit "A".

RECOMMENDED:

That The School Board of Miami-Dade County, Florida, authorize the Superintendent to:

- 1) execute a Public School Concurrency Proportionate Share Mitigation Development Agreement by and among Coral Bay Cove, LLC, a Florida Limited Liability Company (the "Applicant"), the School Board, and Miami-Dade County, in connection with a 224-unit residential development located at 14201 S.W. 260 Drive, Unincorporated Miami-Dade County, providing for monetary proportionate share mitigation pursuant to the Interlocal Agreement For Public School Facility Planning Between Miami-Dade County and Miami-Dade County Public Schools; and
- 2) execute any other documentation that may be required to effectuate implementation of the Agreement; and
- 3) grant or deny any approvals required under the Agreement, including, without limitation, issuance of Reports and Releases, and placing the Applicant in default, as may be applicable.

NOW, THEREFORE, in Consideration of the Sum of Ten Dollars (\$10.00), the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto, intending to be legally bound, hereby agree as follows:

1. **INCORPORATION OF RECITALS.** The foregoing recitals are true and correct and are hereby incorporated into this Agreement by this reference as if fully set forth herein.

2. **DEFINITION OF MATERIAL TERMS.** Any terms that are not defined herein are defined as set forth in the ILA.

3. **LEGALLY BINDING COMMITMENT.** The Parties agree that this Agreement constitutes a legally binding commitment by the Applicant to provide Monetary

Proportionate Share Mitigation for the Development Proposal for the Property sought to be approved by the County.

4. **MONETARY PROPORTIONATE SHARE MITIGATION.** The Parties to this Agreement covenant and agree that the Applicant will make its Monetary Proportionate Share Mitigation payment to the School Board within thirty (30) calendar days following the full and proper execution of this Agreement, unless otherwise extended at the sole and absolute discretion of the School Board or designee (defined hereinafter as Effective Date). The Parties agree that the amount of the Monetary Proportionate Share Mitigation shall be Nine Hundred Ninety Nine Thousand Five Hundred Forty Eight Dollars (\$999,548). The Monetary Proportionate Share Mitigation funds shall be used by the School District to provide for the creation of two classrooms of twenty-two (22) elementary school student stations each, for a total of forty four (44) student stations, at Coconut Palm K-8 Academy (the “**School Project**”). Upon the full execution of this Agreement by all appropriate Parties and receipt of the full Monetary Proportionate Share Mitigation payment, as hereinafter described, the School District shall record this Agreement, in conformance with the provisions of Article 22 hereof, and issue a Finding of Available School Facility Capacity (“**Finding**”) pursuant to the ILA. Issuance of a Finding by the School District shall be a pre-condition to issuance of building permits by the County for the subject Development Proposal. The duration and effect of this Finding shall be in accordance with the ILA. However, in no event shall this Finding, or any allocation of student seats based on this Finding (“**School Concurrency Allocation**”), continue to be effective if the Applicant fails to perform his/her/its obligations under this Agreement. Conversely, once Applicant has completely performed his/her/its obligations under this

Agreement, Applicant shall be entitled to rely on the Finding and School Concurrency Allocation to the extent of the School Capacity provided by the Monetary Proportionate Share Mitigation.

Delivery of the Monetary Proportionate Share Mitigation payment shall be made by the Applicant in two separate disbursements to the School Board, totaling \$999,548, and under the following terms and conditions:

- the Developer shall provide payment to the School District of Four Hundred Ninety Nine Thousand Seven Hundred Seventy Four Dollars (\$499,774) via a Cashier's Check, or by wire transfer or any other method of payment acceptable to the School Board's Office of Treasury Management; and
- the Developer shall also provide the School District with an irrevocable Standby Letter of Credit, from a Florida Qualified Public Depository (QPD) Bank that can be drawn by the School Board upon demand ("**Letter of Credit**"), in the amount of Four Hundred Ninety Nine Thousand Seven Hundred Seventy Four Dollars (\$499,774). The Letter of Credit shall be in a form acceptable to the School District's Office of Treasury Management, in its sole and absolute discretion and authority. The Parties acknowledge and agree that the Letter of Credit shall be drawn by the District on October 26, 2018 or upon issuance by the local jurisdictional authority of 50% plus one (1) building permits for the Project, whichever comes first, for its full cash value, provided the Developer has not delivered a payment of \$499,774 to the School District via a Cashier's Check or wire transfer prior to October 26, 2018.

The Parties further agree that, notwithstanding any other provision of this Agreement, subsequent to issuance of the Finding by the School District, in the event the financial institution issuing the Letter of Credit should fail or the School District is unable to draw and secure the cash value of the Letter of Credit, as detailed above, for any reason beyond the School District's control, the Developer shall provide payment to the School District of \$499,774 via a Cashier's Check, or by wire transfer or any other method of payment acceptable to the School Board's Office of Treasury Management within two (2) business days of written notice of demand from the School Board. In the event the Developer fails to provide payment to the School District of \$499,774 in lieu of the Letter of Credit as prescribed above, the following shall occur: (1) the Finding shall be immediately revoked by the School District and the County shall be so notified; (2) if the School District had previously included the School Project in the District's Capital Plan, the School Project will be placed on hold and/or removed from the District's Capital Plan until the total Monetary Proportionate Share Mitigation payment is received; and (3) in the event the County has issued one or more building permits to the Developer for the Project, the County will not issue a Temporary Certificate of Use and Occupancy, a Certificate of Occupancy or equivalent to the Developer, for its Project, until such time as the Developer meets its Public School Concurrency Proportionate Share Mitigation obligation under the ILA.

In the event the Applicant fails to pay the Monetary Proportionate Share Mitigation Payment as provided for herein, the School District, at its sole option, may cancel this Agreement and may credit the reserved seats to the Concurrency Service Area from which they were reserved.

5. **EDUCATIONAL FACILITIES IMPACT FEE CREDIT.** As consideration for the Applicant's Monetary Proportionate Share Mitigation specified herein, the Parties agree that the School District shall provide a credit, estimated at Three Hundred Fifty One Thousand Two Hundred Forty Eight Dollars (\$351,248), toward any Educational Facilities Impact Fee(s) ("**Impact Fee**") imposed by Miami-Dade County ordinance for construction of the Development Proposal ("**Impact Fee Credit**"). However, in no event will the Impact Fee Credit exceed the amount of cash received by the School District from the Applicant; that is, until such time as the second payment is made or the Letter of Credit is successfully converted to cash and deposited by the School District, the total amount of the Impact Fee Credit cannot exceed Four Hundred Ninety Nine Thousand Seven Hundred Seventy Four Dollars (\$499,774). The final Impact Fee Credit amount shall be determined by the County, pursuant to the then current Miami-Dade County Educational Facilities Impact Fee Ordinance (Chapter 33K, of Miami-Dade County Code of Ordinances), the Interlocal Agreement between Dade County and The School Board of Dade County, Florida, relating to Educational Facilities Impact Fee Monies, and the Metropolitan Dade County Educational Facilities Impact Fee Administrative Procedures Manual, as each may have been amended or may be amended from time to time. The amount of the Impact Fee Credit will not include any administrative or other fees which the County may impose as part of its administrative process.

6. **MITIGATION BANKING.** The Applicant has selected the Monetary Proportionate Share Mitigation option which will provide for the cost of construction by the School District of forty four (44) elementary school seats, resulting in three (3) seats in excess of the forty-one (41) seats needed to be mitigated by the Applicant for the Development

Proposal. As such, the Board shall establish and manage a Mitigation Bank (“**Mitigation Bank #2018-009**”), and transfer the three (3) remaining seats (“**Capacity Credits**”) into **Mitigation Bank #2018-009** for use by future residential developments, as set forth in this Agreement. The School District shall create and administer the Mitigation Bank as follows:

a. **Monetary Proportionate Share Mitigation Cost.** The Monetary Proportionate Share Mitigation amount of Nine Hundred Ninety Nine Thousand Five Hundred Forty Eight Dollars (\$999,548) is the cost of the Monetary Proportionate Share Mitigation option selected by the Applicant, and is derived by multiplying the total number of student stations to be constructed (44 seats), by the student station cost of Twenty Two Thousand Seven Hundred Seventeen Dollars (\$22,717), which is the construction cost projected by the Florida Department of Education to be in place at the time of construction of the School Project (March 2019) (i.e. 44 student stations x \$22,717 cost per station = \$999,548). In this Agreement, “**student station**” and “**seat**” shall be used interchangeably unless otherwise specified.

b. **Number of Banked Seats.** The number of Banked Seats shall be established by determining the excess number of school seats, if any, resulting from construction of the School Project (“**Banked Seats**”), to wit: the number of seats to be constructed (44), less the forty-one (41) seats needed to mitigate the Development Proposal, resulting in three (3) Banked Seats (i.e. 44 seats constructed – 41 mitigated seats = 3 Banked Seats). In this Agreement, “**Banked Seats**” and “**Capacity Credits**” shall be used interchangeably unless otherwise specified.

c. **Reimbursable Value of Banked Seats.** As detailed above, the selected monetary contribution, which will provide for the cost of construction by the School

District of forty four (44) elementary school seats, results in three (3) seats in excess of the forty-one (41) seats needed to be mitigated by the Development Proposal. As such, the School District will establish and administer a Mitigation Bank and mitigation banking process, which will have an initial quantity of three (3) Banked Seats. The reimbursable value of Banked Seats shall be determined by adding the estimated Educational Impact Fee amount of \$351,248 and the value of the seats needed to be mitigated (41 seats x \$22,717 per seat = \$931,397), resulting in the amount of \$1,282,645. Since this amount exceeds the Monetary Proportionate Share Mitigation payment of \$999,548, there is no reimbursable value to the Applicant for the three (3) seats remaining in Mitigation Bank #2018-009.

d. **Annual Reports.** Upon Applicant's request, the School District will provide annual reports to the Applicant ("**Annual Reports**"), containing the balance of Banked Seats remaining, if any, and Capacity Credit transfers, if any, prior to July 1 of each year. The School District shall charge an annual administrative fee as may be established in the Procedures Manual for Implementing the Amended and Restated Interlocal Agreement for Public School Facility Planning in Miami-Dade County. The annual administrative fee shall be paid by the Applicant to the School District prior to issuance of the Annual Report. Upon expiration or transfer of all Capacity Credits, the School District, upon Applicant's request, shall issue a final report to Applicant ("**Final Report**").

7. **SCHOOL CAPACITY IMPROVEMENT** The School District agrees to apply the Monetary Proportionate Share Mitigation payment made by the Applicant toward the School Project described under Section 4 of this Agreement. The School Project will include the

Monetary Proportionate Share Mitigation, which will be reflected in the District's Facilities Work Program at the time of its next annual update following the execution of this Agreement and receipt of the total Monetary Proportionate Share Mitigation payment as set forth herein.

8. **EFFECTIVE DATE.** This Agreement shall take effect upon the last of the Parties signing this Agreement, but in no event later than June 29, 2018. Failure to deliver this Agreement to the School Board executed by the Applicant by April 13, 2018 and by the County by May 11, 2018, may, in the sole discretion of the School District, result in the revocation of the Concurrency Determination issued by the School District on August 30, 2017, incorporated herein by reference.

9. **TERM.** This Agreement shall expire upon the Parties' completion of their performance of all obligations herein or within six (6) years from Effective Date, whichever comes first.

10. **STATUTORY COMPLIANCE.** The Parties agree that this Agreement satisfies the requirements for a binding Proportionate Share Mitigation agreement in Section 163.3180(6)(h)2, Florida Statutes and as provided for in the ILA.

11. **NOTICES AND DELIVERABLES.**
