

Office of School Facilities
Jaime G. Torrens, Chief Facilities Officer

SUBJECT: THAT THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, AUTHORIZE THE SUPERINTENDENT TO EXECUTE A PUBLIC SCHOOL CONCURRENCY PROPORTIONATE SHARE MITIGATION DEVELOPMENT AGREEMENT BY AND AMONG PARC VENTURES, LLC, A FLORIDA LIMITED LIABILITY COMPANY, CEDAR PARC ALLIANCE, LLC, A FLORIDA LIMITED LIABILITY COMPANY, AND MUVHOME26, LLC, A FLORIDA LIMITED LIABILITY COMPANY (COLLECTIVELY, THE "APPLICANT"), THE SCHOOL BOARD, AND MIAMI-DADE COUNTY, IN CONNECTION WITH A 269-UNIT RESIDENTIAL DEVELOPMENT LOCATED AT S.W. 260 STREET AND S.W. 139 AVENUE, UNINCORPORATED MIAMI-DADE COUNTY, PROVIDING FOR MONETARY PROPORTIONATE SHARE MITIGATION PURSUANT TO THE INTERLOCAL AGREEMENT FOR PUBLIC SCHOOL FACILITY PLANNING BETWEEN MIAMI-DADE COUNTY AND MIAMI-DADE COUNTY PUBLIC SCHOOLS

COMMITTEE: FACILITIES AND CONSTRUCTION

LINK TO STRATEGIC BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES

Background

Parc Ventures, LLC, Cedar Parc Alliance, LLC, and Muvhome26, LLC (collectively, the "Applicant") are in the process of obtaining Plat approval from Miami-Dade County ("County") for a 269-unit residential development ("Residential Development") and a 396-unit residential development for the elderly, on approximately 12 acres, located at S.W. 260 Street and S.W. 139 Avenue, Unincorporated Miami-Dade County, contingent upon the Applicant obtaining a school concurrency determination from the District, in accordance with the terms of the Interlocal Agreement for Public School Facility Planning Between Miami-Dade County And Miami-Dade County Public Schools ("ILA").

Pursuant to State Statutes and the ILA, the Residential Development was reviewed by the District for compliance with Public School Concurrency. The review yielded that the applicable Level of Service ("LOS") standard was met at the middle school and high school levels but is deficient by fifty eight (58) elementary school seats. The impacted school is Coconut Palm K-8 Academy.

Proportionate Share Mitigation

Pursuant to the ILA, where there is insufficient capacity to address the impacts of a proposed development, representatives of the Applicant, impacted local government and District (collectively “the Parties”) are to discuss ways of mitigating the development’s impact, including proportionate share mitigation options (“Mitigation”). After several meetings, the Parties have reached consensus on Mitigation, subject to Board and County approval; this also allows the Parties to enter into a Public School Concurrency Proportionate Share Mitigation Development Agreement (“Agreement”), pursuant to the ILA.

Under the governing provisions, the minimum acceptable mitigation project is a classroom. In this case, to address the deficiency of fifty-eight (58) elementary student stations, Mitigation by the Applicant will be a monetary contribution equal to the cost of three (3) elementary school classrooms containing twenty-two (22) student stations each, for a total of sixty-six (66) student stations (the “School Project”). To facilitate the proposed School Project, a line item in the amount of \$1,502,886 (the “Mitigation Cost”) will be included in the District’s Facilities Work Program as part of the next update, for the creation of sixty-six (66) elementary school student stations as part of a proposed addition at Coconut Palm K-8 Academy. The Mitigation Cost was derived based on the cost per student station, as published by the State of Florida DOE, for April of 2019, the date by which implementation of the School Project would likely start.

It should be noted that as required under state law and the ILA, the Applicant will be eligible to receive Educational Facilities Impact Fee Credits in an amount currently estimated at \$403,500. The final amount of the Educational Facilities Impact Fee Credit will be adjusted to reflect the actual impact fees assessed by the County for the Residential Development, once all the residential permits are issued.

Mitigation Banking

As stated above, the School Project will yield sixty-six (66) student stations, or eight (8) seats beyond the fifty-eight (58) student stations required to address the Residential Development’s impact. Pursuant to the governing ILA, the eight (8) remaining seats will be made available through a Mitigation Bank to be established and administered by the District for future purchase by applicants for future residential developments affecting the same Concurrency Service Area (“CSA”) and also in need of providing mitigation at the elementary school level.

Public School Concurrency Proportionate Share Mitigation Development Agreement

The Agreement between the Board, County and Applicant shall contain, substantially, the following terms and conditions:

- the Applicant shall make an upfront monetary contribution to the Board of \$1,502,886, which is the estimated cost of constructing sixty-six (66) elementary school student stations based on the April 2019 cost per student station published by the DOE;

- the value of the School Project is to be added to the District's Facilities Work Program at the time of its next annual update following the execution of the Agreement and upon receipt of the full monetary contribution from the Applicant, as detailed above;
- upon the full execution of the Agreement by all Parties and receipt of full payment from the Applicant, the District shall issue a Finding of Available School Facility Capacity ("Finding"). Issuance of the Finding by the District shall be a pre-condition to issuance of building permits by the County for the subject Residential Development;
- as required under state law and the ILA, the District shall provide an Educational Facilities Impact Fee Credit, estimated at \$403,500, toward any Educational Facilities Impact Fees imposed by County ordinance for construction of the Residential Development. The final Educational Facilities Impact Fee Credit amount shall be determined by the County, pursuant to the then current Miami-Dade County School Impact Fee Ordinance;
- the selected monetary contribution, which will provide for the cost of construction by the District of sixty-six (66) elementary school seats, results in eight (8) seats in excess of the fifty-eight (58) seats needed to be mitigated by the Applicant. The District shall establish and administer a Mitigation Bank, which, in this instance, will have eight (8) Banked Seats available for purchase by future applicants failing to meet concurrency at the elementary school level within the same CSA. There is no reimbursable value to the Applicant for the Banked Seats;
- the Banked Seats may be purchased within a period of six (6) years from the date the School Board authorized the execution of this Agreement. Any remaining Banked Seats shall be deemed expired at that time;
- future residential developments may purchase Banked Seat(s) only if the Mitigation Bank has sufficient number of available seats to provide for the entire school capacity deficiency. In the event that in the future, multiple Mitigation Banks are created for the same CSA, the Banked Seats shall be transferred to future residential developments in the order in which each Mitigation Bank was created;
- the Agreement shall expire upon the Parties' completion of their performance of all obligations or within six (6) years from the date that the Agreement is executed by all Parties, whichever comes first;
- the Applicant may assign its rights, obligations and responsibilities under this Agreement to a third-party purchaser of all or any part of fee simple title to the Residential Development. Any such assignment shall be in writing and shall

require the prior written consent of all the Parties;

- the Applicant shall pay all recordation costs to the District necessary to record the Agreement and any related documentation, including without limitation, Assignments, if any, and Releases;
- in the event of any dispute among the Parties, each Party shall be responsible for its own Attorney's fees, and the Parties waive trial by Jury in any action, proceeding or counterclaim brought by any Party against any other Party or Parties with respect to any matter arising under this Agreement; and
- for purposes of this Agreement, the Superintendent or his/her designee shall be the Party designated by the Board to grant or deny any and all approvals required under the Agreement, including, without limitation, issuance of Reports and Releases, and placing the Applicant in default, as may be applicable.

The Agreement has been reviewed and approved for legal sufficiency by the School Board Attorney's Office, as well as reviewed by the Office of Risk and Benefits Management and found to be in compliance with risk management requirements. The Agreement, in final form, is attached hereto as Exhibit "A".

RECOMMENDED:

That The School Board of Miami-Dade County, Florida, authorize the Superintendent to:

- 1) execute a Public School Concurrency Proportionate Share Mitigation Development Agreement (“Agreement”) by and among Parc Ventures, LLC, a Florida limited liability company, Cedar Parc Alliance, LLC, a Florida limited liability company and Muvhome26, LLC, a Florida limited liability company (collectively, the “Applicant”), the School Board, and Miami-Dade County, in connection with a 269-unit residential development located at S.W. 260 Street and S.W. 139 Avenue, Unincorporated Miami-Dade County, providing for monetary proportionate share mitigation pursuant to the Interlocal Agreement For Public School Facility Planning Between Miami-Dade County and Miami-Dade County Public Schools; and
- 2) execute any other documentation that may be required to effectuate implementation of the Agreement; and
- 3) grant or deny any approvals required under the Agreement, including, without limitation, issuance of Reports and Releases, and placing the Applicant in default, as may be applicable.

THIS PUBLIC SCHOOL CONCURRENCY PROPORTIONATE SHARE MITIGATION DEVELOPMENT AGREEMENT ("Agreement"), is made and entered into this _____ day of _____, 2018, by and between **THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA**, a body corporate and politic, existing under the laws of the State of Florida, hereinafter referred to as "**School Board**" or "**School District**," whose address is 1450 NE 2ND Avenue, Miami, Florida 33132; **MIAMI-DADE COUNTY**, a political subdivision of the State of Florida, hereinafter referred to as "**County**", whose address is 111 NW First Street, Miami, Florida 33128; and **PARC VENTURES, LLC**, a **Florida limited liability company**, and **CEDAR PARC ALLIANCE, LLC**, a **Florida limited liability company**, and **MUVHOME26, LLC**, a **Florida limited liability company** (all three aforementioned limited liability companies are hereinafter referred to as "**Applicant**" or "**Developer**" or "**Property Owner**" or "**Contract Purchaser**"), whose address is 1629 NW 84 Avenue, Doral, Florida 33126; the County, School Board and Applicant are collectively referred to herein as the "**Parties**."

RECITALS:

WHEREAS, the Applicant is the fee simple owner of that certain tract of land (Portion of Folio #s 3069270000170, 3069270130020, 3069270000430, 3069270000171, 3069270000170) located in the County, as more particularly described on **Exhibit “A”** (the “**Property**”), and as further illustrated within a Sketch To Accompany A Legal Description, certified to the School Board (**Exhibit “B”**), with both Exhibits attached hereto and incorporated herein; and

WHEREAS, the Applicant has submitted a T-Plat application seeking approval to develop not more than 665 residential units, which are divided into development phases. **Phase I** consisting of not more than 269 multifamily residential dwelling units on the Property (the “**Development Proposal**”); and **Phase II** consisting of 396 multifamily residential units for the elderly, which would be considered exempt from the requirements of public school concurrency because it will not generate any students; and

WHEREAS, the Applicant agrees that, as precondition to the District’s sign-off of the Final Plat, the Applicant shall decide whether **Phase II** will be one of the following types of development: (1) The development of residential units for the elderly, which must be evidenced by School Board approval of Educational Facilities Impact Fee Exemption and recordation of related Covenant Running With the Land approved by the District prior to recordation thereof; or (2) The development of residential units, not for the elderly, which will then require the testing for public school concurrency and obtaining a Determination Certificate or a Finding as defined in this Agreement; and

WHEREAS, the School Board and the County entered into that certain Interlocal Agreement for Public School Facility Planning Between Miami-Dade County And Miami-Dade County Public Schools, dated May 4, 2009 (adopted and executed by the County on May 7, 2009), to implement public school concurrency and to coordinate the approval of residential development with the provision of adequate public school facilities (“**ILA**”), incorporated herein by reference; and

WHEREAS, the Applicant has filed a T-plat application with the County (T-24046 Modern Towers – dated March 16, 2018) which requires School Facility Capacity availability for each student generated by the Development Proposal at each of the three school levels (i.e. elementary, middle and senior high school); and

WHEREAS, the Parties agree that: (1) adequate School Facility Capacity is not available for fifty eight (58) of the elementary school students generated by the Development Proposal at the Level of Service Standard within the Concurrency Service Area in which the Development Proposal is located, to accommodate the anticipated number of public school students that the Development Proposal will generate; (2) the needed School Facility Capacity for the applicable Concurrency Service Area is not available in any contiguous Concurrency Service Areas within the same Geographic Area; and (3) available School Facility Capacity will not be in place or under actual construction within three (3) years after the approval of the Development Proposal; and

WHEREAS, the Parties agree that authorizing these new residential dwelling units will result in a failure of the Level of Service Standard for School Facility Capacity in the applicable

Concurrency Service Area, or will exacerbate existing deficiencies in Level of Service Standards; and

WHEREAS, the Parties agree that Public School Concurrency shall be satisfied by the Applicant's execution of this legally binding Agreement and full compliance therewith, to provide mitigation proportionate to the demand for Public School Facilities to be created by these new residential dwelling units; and

WHEREAS, the Parties agree that the Applicant has selected as the Proportionate Share Mitigation option, the full capital cost of a public school project, comprised of three (3) elementary school classrooms of twenty-two (22) student stations ("**Monetary Proportionate Share Mitigation**"), as hereinafter described, which will be added to the first three (3) years of the School District's Facilities Work Program; and

WHEREAS, the Parties further agree that the Applicant shall pay the Monetary Proportionate Share Mitigation funding as further required herein; and

WHEREAS, The School Board of Miami-Dade County, Florida, has authorized the execution of this Agreement in accordance with Board Item _____, Board Action No. _____, at its meeting of _____, 2018; and

WHEREAS, the Board of County Commissioners, at its meeting of July 6, 2017, duly passed and adopted on that date, Resolution No. 17-43, authorizing the appropriate County officials to enter into this type of Proportionate Share Mitigation Agreement; and

WHEREAS, the Applicant has duly approved this Agreement, and represented to the School Board and to the County, and hereby confirms, that Eduardo Caballero and Abel Rodriguez, managing members of JAXI C.M.D., LLC, a Florida limited liability company, as Manager of CEDAR PARC ALLIANCE, LLC, a Florida limited liability company, and PARC VENTURES, LL, a Florida limited liability Company, respectively, and Kevin Faith, as Manager of MUVHOME26, LLC, a Florida limited liability company, have been and are hereby fully authorized to execute this Agreement on behalf of Applicant.

NOW, THEREFORE, in Consideration of the Sum of Ten Dollars (\$10.00), the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto, intending to be legally bound, hereby agree as follows:

1. **INCORPORATION OF RECITALS.** The foregoing recitals are true and correct and are hereby incorporated into this Agreement by this reference as if fully set forth herein.
2. **DEFINITION OF MATERIAL TERMS.** Any terms that are not defined herein are defined as set forth in the ILA.
3. **LEGALLY BINDING COMMITMENT.** The Parties agree that this Agreement constitutes a legally binding commitment by the Applicant to provide Monetary Proportionate Share Mitigation for the Development Proposal for the Property sought to be approved by the County.

4. **MONETARY PROPORTIONATE SHARE MITIGATION.** The Parties to this Agreement covenant and agree that the Applicant will make its Monetary Proportionate Share Mitigation payment to the School Board within thirty (30) calendar days following the full and proper execution of this Agreement, unless otherwise extended at the sole and absolute discretion of the School Board or designee (defined hereinafter as Effective Date). The Parties agree that the amount of the Monetary Proportionate Share Mitigation shall be One Million Five Hundred and Two Thousand Eight Hundred Eighty Six Dollars (\$1,502,886), which the Developer shall provide to the School District via a Cashier's Check, or by wire transfer or any other method of payment acceptable to the School Board's Office of Treasury Management. The Monetary Proportionate Share Mitigation funds shall be used by the School District to provide for the creation of three (3) classrooms of twenty-two (22) elementary school student stations each, for a total of 66 student stations at Coconut Palm K-8 Academy (the "**School Project**"). Upon the full execution of this Agreement by all appropriate Parties and receipt of the full Monetary Proportionate Share Mitigation payment, as hereinafter described, the School District shall record this Agreement, in conformance with the provisions of Article 22 hereof, and issue a Finding of Available School Facility Capacity ("**Finding**") pursuant to the ILA. Issuance of a Finding by the School District shall be a pre-condition to issuance of building permits by the County for the subject Development Proposal. The duration and effect of this Finding shall be in accordance with the ILA. However, in no event shall this Finding, or any allocation of student seats based on this Finding ("**School Concurrency Allocation**"), continue to be effective if the Applicant fails to perform his/her/its obligations under this Agreement. Conversely, once Applicant has completely performed his/her/its obligations under this

Agreement, Applicant shall be entitled to rely on the Finding and School Concurrency Allocation to the extent of the School Capacity provided by the Monetary Proportionate Share Mitigation.

In the event Applicant fails to pay the Monetary Proportionate Share Mitigation Payment as provided for herein, the School District, at its sole option, may cancel this Agreement and credit the reserved seats to the Concurrency Service Area from which they were reserved.

5. EDUCATIONAL FACILITIES IMPACT FEE CREDIT. As consideration for the Applicant’s Monetary Proportionate Share Mitigation specified herein, the Parties agree that the School District shall provide a credit, estimated at Four Hundred Three Thousand Five Hundred Dollars (\$403,500), toward any Educational Facilities Impact Fee(s) (“**Impact Fee**”) imposed by Miami-Dade County ordinance for construction of the Development Proposal (“**Impact Fee Credit**”). However, in no event will the Impact Fee Credit exceed the amount of cash received by the School District from the Applicant; that is, the total amount of the Impact Fee Credit cannot exceed One Million Five Hundred and Two Thousand Eight Hundred Eighty Six Dollars (\$1,502,886). The final Impact Fee Credit amount shall be determined by the County, pursuant to the then current Miami-Dade County Educational Facilities Impact Fee Ordinance (Chapter 33K, of Miami-Dade County Code of Ordinances), the Interlocal Agreement between Dade County and The School Board of Dade County, Florida, relating to Educational Facilities Impact Fee Monies, and the Metropolitan Dade County Educational Facilities Impact Fee Administrative Procedures Manual, as each may have been amended or

may be amended from time to time. The amount of the Impact Fee Credit will not include any administrative or other fees which the County may impose as part of its administrative process.

6. **MITIGATION BANKING.** The Applicant has selected the Monetary Proportionate Share Mitigation option which will provide for the cost of construction by the School District of sixty-six (66) elementary school seats, resulting in eight (8) seats in excess of the fifty eight (58) seats needed to be mitigated by the Applicant for the Development Proposal. As such, the Board shall establish and manage a Mitigation Bank (“**Mitigation Bank #2018-014**”), and transfer the eight (8) remaining seats (“**Capacity Credits**”) into Mitigation Bank #2018-014 for use by future residential developments, as set forth in this Agreement. The School District shall create and administer the Mitigation Bank as follows:

a. **Monetary Proportionate Share Mitigation Cost.** The Monetary Proportionate Share Mitigation amount of One Million Five Hundred and Two Thousand Eight Hundred Eighty Six Dollars (\$1,502,886) is the cost of the Monetary Proportionate Share Mitigation option selected by the Applicant, and is derived by multiplying the total number of student stations to be constructed (66 seats), by the student station cost of \$22,771, which is the construction cost projected by the Florida Department of Education to be in place at the time of construction of the School Project (April 2019) (i.e. 66 student stations x \$22,771 cost per station = \$1,502,886). In this Agreement, “**student station**” and “**seat**” shall be used interchangeably unless otherwise specified.

b. Number of Banked Seats. The number of Banked Seats shall be established by determining the excess number of school seats, if any, resulting from construction of the School Project (“**Banked Seats**”), to wit: the number of seats to be constructed, sixty six (66), less the fifty eight (58) seats needed to mitigate the Development Proposal, resulting in eight (8) Banked Seats (i.e. 66 seats constructed – 58 mitigated seats = 8 Banked Seats). In this Agreement, “**Banked Seats**” and “**Capacity Credits**” shall be used interchangeably unless otherwise specified.

c. Estimated Educational Facilities Impact Fee Credits. Pursuant to the Miami-Dade County Educational Facilities Impact Fee Ordinance, the Applicant must pay Educational Facilities Impact Fee(s) (“**Impact Fee**”) prior to issuance of any residential building permit. However, since the Applicant is required to pay the Monetary Proportionate Share Mitigation payment to the School District prior to obtaining building permits, the School District shall issue the Impact Fee Credit to the Applicant, which the Applicant may present to the County in satisfaction (in whole or in part) of its Educational Facilities Impact Fee obligation. The amount of the estimated Impact Fee Credit shall be the result of multiplying \$1,500 (the estimated Impact Fee per residential dwelling unit) by the number of approved units (269 multi-family residential dwelling units), resulting in an estimated Impact Fee Credit amount of \$403,500 (i.e. \$1,500 estimated impact fee x 269 residential dwelling units = \$403,500). The Parties understand and agree that the Impact Fee Credit stated herein shall be adjusted to reflect the actual amount assessed by the County for the subject Development Proposal. Adjustment to the Estimated

Reimbursable Value shall also be required inasmuch as any adjustment to the Impact Fee Credit will also affect the value of the Banked Seat(s).

d. Reimbursable Value of Banked Seats. As detailed above, the selected monetary contribution, which will provide for the cost of construction by the School District of sixty-six (66) elementary school seats, results in eight (8) seats in excess of the fifty eight (58) seats needed to be mitigated by the Development Proposal. As such, the School District will establish and administer a Mitigation Bank and mitigation banking process, which will have an initial quantity of eight (8) Banked Seats. The estimated reimbursable value of Banked Seats shall be determined by adding the estimated Educational Impact Fee amount of \$403,500 and the value of the seats needed to be mitigated (58 seats x \$22,771 per seat = \$1,320,718) resulting in the amount of \$ 1,724,218. Since this amount exceeds the Monetary Proportionate Share Mitigation payment of \$1,502,886, there is no reimbursable value to the Applicant for the eight (8) seats remaining in Mitigation Bank #2018-14.

e. Expiration of Capacity Credits. Capacity Credits may be purchased by future applicant(s) within six (6) years from the date the School Board authorized the execution of this Agreement, which in this instance, is hereby established as May 16, 2018, and subject to expiration of timeframe set forth under Section 17 hereof. After 5:00 PM (Miami Time), May 15, 2024, any remaining Capacity Credits created by the Monetary Proportionate Share Mitigation option shall be deemed expired, and any Banked Seat(s) not yet transferred will be returned to the Concurrency Service Area where the School Project was constructed.

f. **Purchasing of Capacity Credits by Future Applicants.** The School District agrees to make known to all future residential development applicants within the Concurrency Service Area or Adjacent Concurrency Service Areas within the same Geographic Area, the option to purchase Capacity Credits from this Mitigation Bank. Future applicants may purchase Capacity Credit(s) only if the Mitigation Bank(s) has sufficient number of available seats to provide for the entire school capacity deficiency.

g. **Priority of Capacity Credit Transfers.** In the event multiple mitigation banks are created by other applicants, for the same Concurrency Service Area or Adjacent Concurrency Service Areas within the same Geographic Area, the Capacity Credits shall be made available for transfer to future applicants in the order in which each mitigation bank was created.

h. **Annual Reports.** The School District will provide annual reports to the Applicant (“**Annual Reports**”), containing the balance of Banked Seats remaining, if any, and Capacity Credit transfers, if any, prior to July 1 of each year. The School District shall charge an annual administrative fee as may be established in the Procedures Manual for Implementing the Amended and Restated Interlocal Agreement for Public School Facility Planning in Miami-Dade County. The annual administrative fee shall be paid by the Applicant to the School District prior to issuance of the Annual Report. Upon expiration or transfer of all Capacity Credits, the School District shall issue a final report to Applicant (“**Final Report**”).

7. **SCHOOL CAPACITY IMPROVEMENT** The School District agrees to apply the Monetary Proportionate Share Mitigation payment made by the Applicant toward the School Project described under Section 4 of this Agreement. The School Project will include the Monetary Proportionate Share Mitigation, which will be reflected in the District's Facilities Work Program at the time of its next annual update following the execution of this Agreement and receipt of the total Monetary Proportionate Share Mitigation payment as set forth herein.

8. **EFFECTIVE DATE.** This Agreement shall take effect upon the last of the Parties signing this Agreement, but in no event later than November 16, 2018. Failure to deliver this Agreement to the School Board executed by the Applicant by September 10, 2018 and by the County by October 19, 2018, may, in the sole discretion of the School District, result in the revocation of the Concurrency Determination issued by the School District on January 25, 2018, incorporated herein by reference.

9. **TERM.** This Agreement shall expire upon the Parties' completion of their performance of all obligations herein or within six (6) years from Effective Date, whichever comes first.

10. **STATUTORY COMPLIANCE.** The Parties agree that this Agreement satisfies the requirements for a binding Proportionate Share Mitigation agreement in Section 163.3180(6)(h)2, Florida Statutes and as provided for in the ILA.

Additionally, this Agreement may be modified, and refunds made, only until the earliest of the following times: (a) issuance of a final development order of either the first building permit for the Development Project or District's Final Plat sign-off; or (b) the School District Encumbers ("Encumbers" shall mean monies committed by contract or purchase order in a manner that obligates the School Board to expend the funded amount upon delivery of goods or the rendering of services provided by a vendor, supplier or contractor for the School Project) any portion of the Monetary Proportionate Share Mitigation payment; or (c) six (6) months after the date that this Agreement is authorized by the School Board.

19. **ASSIGNMENT.** The Applicant may assign its rights, obligations and responsibilities under this Agreement to a third party purchaser of all or any part of fee simple title to the Property. Any such assignment shall be in writing and shall require the prior written consent of all of the Parties, such consent not to be unreasonably withheld. At the election of the

School District, such consent may be conditioned upon the written agreement of the assignee to assume all of Applicant/Assignor's duties and obligations under this Agreement and to comply with conditions and procedures to aid in the monitoring and enforcement of the assignee's performance of the Monetary Proportionate Share Mitigation under this Agreement. The Assignor under such assignment shall furnish the Parties with a copy of the duly executed assignment, in recordable form, within ten (10) days of the date of execution of same. Failure of any Party to exercise its rights in the event of any breach by one or more other Parties shall not constitute a waiver of such rights. No Party shall be deemed to have waived any failure to perform by another Party unless such waiver is in writing and signed by the other Parties. Such waiver shall be limited to the terms specifically contained therein.

21. COUNTERPARTS. This Agreement may be executed in three (3) counterparts, each of which when executed and delivered shall be deemed to be an original; however, all such counterparts together shall constitute but one and the same instrument. Signature and

22. **RECORDING OF DOCUMENTS.** The School District shall record this Agreement and any related documentation, including without limitation, Assignments, if any, and Releases, within thirty (30) days after proper execution thereof and receipt of the document and recordation costs, in the Public Records of Miami-Dade County, Florida. The Applicant shall pay all recordation costs to the School District.

23. **SEVERABILITY.** If any provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, the invalid or unenforceable provision will be stricken from the Agreement, and the balance of the Agreement will remain in full force and effect as long as doing so would not affect the overall purpose or intent of the Agreement.

24. **WAIVER OF TRIAL BY JURY. THE PARTIES WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY OR PARTIES WITH RESPECT TO ANY MATTER ARISING UNDER THIS AGREEMENT.**

25. **TIME IS OF THE ESSENCE.** Time is of the essence in the performance of this Agreement.

26. **MERGER CLAUSE.** This Agreement and all Exhibits thereto set forth the entire agreement among the Parties, and it supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, among the Parties.

27. **PUBLIC RECORDS LAWS.** This Agreement shall be subject to Florida's Public Records Laws, Chapter 119, Florida Statutes. The Parties understand the broad nature of these laws and agree to comply with Florida's Public Records Laws and laws relating to records retention. The Parties acknowledge and accept the authority of the School Board and the County to request and authorize audits, inspections, and reviews, including, but not limited to, the authority to access the Developer's records, its/their legal representatives' and contractors' records with respect to this Agreement and the obligation of the Developer to retain and to make those records available upon request, and in accordance with all applicable laws. In addition, Developer's contractors and subcontractors must make available, upon School Board's and County's request, any books, documents, papers and records which are directly pertinent to this specific Agreement for the purpose of making audit, examination, excerpts, and transcriptions.

The Developer, its contractors and sub-contractors shall (i) retain all records for five (5) years after the Effective Date of this Agreement; and (ii) the School Board and the County shall retain records for five (5) years after the expiration, early termination or cancellation of this Agreement.
