BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES**

The financial statements of Magnet Educational Choice Association (MECA) were audited by the external audit firm of C Borders-Byrd, CPA LLC. MECA is a not-for-profit corporation organized and operated as a Miami-Dade County School Board's direct-support organization. The financial statement audit is required by State Board of Education Rule 6A-1.0013, Section 1001.453, Florida Statutes, and School Board Policy 9215.

In the audit report, the external auditors concluded that the financial statements present fairly, in all materials respects, the financial position of MECA at June 30, 2018. At June 30, 2018, MECA reported total revenues of \$502,222. This total represents a decrease of \$149,951 when compared to total revenues reported at the end of the 2016-2017 fiscal year, or \$652,173. Similarly, at June 30, 2018, MECA reported total net assets of \$349,838. This total represents a decrease of \$177,165 when compared to total net assets reported at the end of the 2016-2017 year, or \$527,003.

According to the Management Letter and Schedule of Audit Findings and Responses, the external auditors "became aware of deficiencies in internal control that are material weaknesses as well as matters that are opportunities for strengthening internal controls and operating efficiency." They reported one finding related to certain accounting control deficiencies over cash receipts and over the approval of and support for disbursements, and provided a recommendation for improvement. MECA's Management concurred with the recommendation. Additionally, the external auditor's follow-up to a prior year finding related to the improper segregation of duties disclosed that MECA's Board of Directors is currently reviewing the management strategy for the Organization to implement corrective action.

Regarding this audit, the external auditors communicated to MECA's Management and Board of Directors that MECA has experienced significant reductions in contributions, a net deficiency in unrestricted net assets; and the fact that key management plans to retire and needs replacement for MECA to continue operations.

E-87

According to the external auditors, MECA's Management and the Board of Directors have determined that they will find a replacement for key management and will seek additional contributions to manage the cash flow.

The School Board Audit and Budget Advisory Committee will review this report at its December 11, 2018, meeting to consider its transmission to the School Board.

Copies of this report will be distributed and placed on file in the Office of the Recording Secretary to the School Board and in the Citizen Information Center. Additional copies will be provided upon request.
