It is my pleasure to share wonderful and exciting news about three urban core high schools in District 2. We have made great strides and some noteworthy accomplishments this year. I am honored and proud to announce three high schools from District 2 have made history by winning the, Florida High School Athletic Association 2019 State Football Championship Titles in three class divisions 4A, 5A and 6A. The championship teams are Booker T. Washington Sr. High School, Miami Central Sr. High School and Miami Northwestern Sr. High School.

On December 11, 2019, Booker T. Washington defeated Bolles in the 4A Florida High School Athletic Association State Football Championship. On December 12, 2019, Miami Central defeated Escambia in the 6A FHSAA State Football Championship. On December 14, 2019, Miami Northwestern defeated Jones in the 5A FHSAA State Football Championship. All the championship games were played at Daytona Stadium in Daytona Beach, Florida.

I am pleased to know that Miami-Dade County Public Schools football program excels not only on the field, but off the field as well. This speaks volume to the students' dedication and commitment to education and athletics. I would like to send a heartfelt thank you to the coaches, principals, administrators, staff, parents, stakeholders, alumni, and the community, but more importantly the teams from each of the schools for their perseverance. Their hard work really paid off, and District 2 and Miami-Dade County Public Schools could not be more proud of these scholar athletes.
