SUBJECT: PROTOCOL

COMMITTEE: FISCAL ACCOUNTABILITY & GOVERNMENT RELATIONS

**LINK TO STRATEGIC
BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES**

As the fourth largest school district in the nation, The School Board of Miami-Dade County, Florida, frequently hosts numerous events attended by high profile guests and other elected officials. As it is expected, these types of events require protocol that must be followed consistently. In recent events, however, there have been concerns about adherence to proper protocol procedures at formal school and District events.

This item is presented for the Board to request that the Superintendent explore the possibility of appointing a staff member to be the designated person in charge of ensuring that proper protocol is followed at all formal school and District events, particularly when Board Members and distinguished guests are in attendance.

This item has been reviewed and approved by the School Board Attorney's Office as to form and legal sufficiency.

**ACTION PROPOSED BY CHAIR
PERLA TABARES HANTMAN:**

That The School Board of Miami-Dade County, Florida, request that the Superintendent explore the possibility of appointing a staff member to be the designated person in charge of ensuring that proper protocol is followed at all formal school and District events, particularly when Board Members and distinguished guests are in attendance, and to report back to the Board no later than April 20, 2020.
