Procurement Management Services, at the request of the Facilities Operations, released the above-referenced solicitation. The purpose of this Invitation to Bid (ITB) is to establish a contract, to furnish all labor, supervision, materials, equipment and transportation necessary to pump-out and repair grease traps, septic tanks and storm drains, at various Miami-Dade County Public Schools' facilities, for Regulatory Compliance, in full compliance with appropriate Miami-Dade County Division of Environmental Resource Management (DERM) and Florida Department of Environmental Protection (FDEP), and the Miami-Dade County Water and Sewer Department (WASD) regulations, and be environmentally acceptable. This is a term bid which states that the Board may purchase quantities as needed but is not obligated to purchase any guaranteed amount. This ITB was advertised on the Procurement Management Services website, as well as Periscope and DemandStar.

The initial term of the bid shall be for a two (2) year period, commencing December 22, 2020 through December 21, 2022, and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidders, be extended for three (3) additional one (1) year periods.

Two (2) vendors responded to this advertised bid. Based on the criteria listed in the solicitation, one (1) certified vendor is being recommended for award.

M-DCPS OEO staff verified the Small, Micro, Veteran and/or M/WBE certification status of the prime firm and all subcontractors.

In FY 2019-2020, the District spent \$104,347 on pump-out and repair of grease traps, septic tanks and storm drains.
