

PARENT CHOICE
COVID-19 QUARANTINE PROCEDURES FOR ALL STUDENTS

PARENT(S)/GUARDIAN(S) CHOOSING NOT TO QUARANTINE THEIR CHILD

- ☐ The student may remain at school and participate in all academic and extra-curricular activities **ONLY** if their child **DOES NOT** develop any COVID-19 symptoms during the school day, and up to 10 days from the day of their child was exposed to someone who tested positive for COVID-19.
- ☐ Parents/guardians are advised to continue to monitor their child's/children's symptoms for up to 10 days from the day of exposure. If their child develops symptoms up until the 10th day of exposure of a direct contact or test positive for COVID-19 they **MUST ISOLATE** their child, contact their healthcare provider, and notify the principal immediately.
- ☐ If the student develops symptoms during the school day, the student will be placed in the health screening area, and the parent(s)/guardian(s) will be contacted immediately and advised to pick-up their child from school and as well as to contact their medical provider.

PARENT(S)/ GUARDIAN(S) CHOOSING TO QUARANTNE THEIR CHILD

- ☐ Parent(s)/guardian(s) can decide if they want to continue to quarantine their child for a period **not to exceed 7 days** from the date the student was exposed to an individual that tested positive for COVID-19.
- ☐ Parents/guardians are advised to continue to monitor their child's/children's symptoms for up to 10 from the day of exposure, and if their child develops symptoms while they are quarantine parents/guardians should contact their healthcare provider and notify the principal immediately.
- ☐ If the student develops symptoms upon returning to school, the student will be placed in the health screening area, and the parent(s)/guardian(s) will be contacted immediately and advised to pick-up their child from school and as well as to contact their medical provider.
