**SUBJECT: AUTHORIZE THE SUPERINTENDENT TO UTILIZE THE DISTRICT'S COMMUNICATION RESOURCES TO RAISE COMMUNITY AWARENESS OF FLORIDA'S SALES TAX HOLIDAY AND THE FLORIDA TEACHERS CLASSROOM SUPPLY ASSISTANCE PROGRAM**

**COMMITTEE: ACADEMICS, INNOVATION, EVALUATION, & TECHNOLOGY**

**LINK TO STRATEGIC BLUEPRINT: INFORMED, ENGAGED & EMPOWERED STAKEHOLDERS**

For a number of years, the Florida Legislature has authorized a sales tax-free weekend for basic school supplies in advance of the opening of the new school year. Typically, the exempt items have included clothing and basic supplies such as pencils, pens, notebooks, erasers and other school items. Undoubtedly, this provides parents an opportunity to save money benefiting many families as they purchase items their children need in order to start the school year prepared for success.

As we approach the opening of the 2018-2019 school year, Floridians will once again be able to get more for their money during a three-day sales tax holiday scheduled to take place starting at 12:01 a.m. on Friday, August 3, 2018, through 11:59 p.m. on Sunday, August 5, 2018. The Legislature has extended sales tax exemptions to a number of the technological learning tools that students will find useful in today's digital learning environment. Some of the exempted items include personal computers, e-readers, tablets, software and accessories.

In addition to the Florida Sales Tax Holiday, pursuant to Florida Statute 1012.71, the Florida Legislature appropriates funds each school year for eligible "teachers to purchase, on behalf of the school district, classroom materials and supplies for the public school students assigned to them" through the Florida Teachers Classroom Assistance Program. Florida Teachers who wish to utilize this program also have the option to utilize the Florida Sales Tax Holiday for reimbursement purposes.

As our community continues to recover from several difficult economic years, every opportunity for families to be able to save is welcomed and should be communicated so that as many people as possible may benefit. As such, it is in the best interest of the students and parents we serve to use the District's communication resources to make certain that Miami-Dade County citizens are aware of the upcoming tax free holiday period, as well as inform on the Florida Teachers Classroom Supply Assistance Program.

**ACTION PROPOSED BY CHAIR  
PERLA TABARES HANTMAN:**

That The School Board of Miami-Dade County, Florida, authorize the Superintendent to utilize the District's communication resources to raise community awareness of Florida's upcoming sales tax holiday scheduled for August 3-5, 2018 and the Florida Teachers Classroom Assistance Program.
