

MEMORANDUM

January 6, 2003

TO: All Secondary Schools
FROM: Information Technology Services
SUBJECT: **FUTURE FILE AVAILABILITY – 031**

Effective immediately, the Future file for adding course and Master Schedule information for the 2003-2004 school year (Cycle 031) is available to schools. In order to access the Future file, schools must sign-on with the Future School Activity indicator (Y) on the ISIS Menu.

The Future file for future student entries will not be available to schools until February 1, 2003. Until that date, no future activity for students will be permitted in ISIS.
