

## MEMORANDUM

TO: All Locations

FROM: Information Technology Services (ITS)

SUBJECT: **NEW INTRANET WEB APPLICATIONS SCREEN**

On Wednesday, July 2, 2003, ITS will debut a new version of the Intranet Web Applications screen. The new version will feature an enhanced user interface and improved functionality. All existing web applications such as the Web Interface for Special Educators (WISE), Student Performance Indicators and Mainframe Terminal Sessions will be available.

To take advantage of the enhanced features, users should access the site with Internet Explorer 5.01 or higher. A Web Browser – Upgrade Notice will be displayed on computers that are running a lower version of Internet Explorer. The latest version of Internet Explorer is available from the following link:
