FROM: Information Technology Services (ITS)

SUBJECT: **2005 SUMMER FILE PREPARATION - ELEMENTARY**

Information Technology Services will begin printing the Summer Attendance Transmittal Cards on Friday, **June 10, 2005**, for all students registered for summer. Each school open for summer will automatically receive one card per student in alpha/homeroom/grade sequence and 50 blank cards. Scantron Cards and the optional second set of Summer Attendance Transmittal Cards will only be produced if schools respond to this survey.
