The Florida Legislature passed a law for a 3-day sales tax holiday to begin at 12:01 a.m., Friday, August 2, 2013, and end at midnight Sunday, August 4, 2013. No Florida sales tax or local option tax will be collected during this time on sales of clothing, footwear, and certain accessories selling for \$75 or less per item, on certain school supplies selling for \$15 or less per item, and on computers and certain related accessories selling for \$750 or less per item when purchased for noncommercial home or personal use.

As all public schools move to wireless access and instructional materials and state assessments move rapidly to digital formats, every opportunity for families to be able to save funds while providing their children with needed educational supplies should be widely announced.
