For a number of years, the Florida Legislature has authorized a sales tax free weekend for basic school supplies in advance of the opening of a new school year. The 2014, 3-day sales tax holiday will begin at 12:01 a.m., Friday, August 1st and end at midnight Sunday, August 3rd. No Florida sales tax or local option tax will be collected during this time on sales of clothing, footwear, and certain accessories selling for \$75 or less per item, on certain school supplies selling for \$15 or less per item, and on computers and certain related accessories selling for \$750 or less per item when purchased for noncommercial, home or personal use.

As all public schools have moved to wireless access and instructional materials and state assessments are moving rapidly to digital formats, every opportunity for families to be able to save funds while providing their children with needed educational supplies should be widely announced.
