

## For all Employees, Families and Friends

There's no better way to relieve stress than to head into "IMAGE MAKER" for any of our many exceptional services. From **facials, massages, permanent makeup and botox to plasma, fillers, laser hair removal and everything to do with your skin care**, we have everything you need to leave here physically rejuvenated and mentally refreshed. And because you deserve it, we're offering:

\* **Full Facial:** Extractions, Derma-pod, and Derma-brasion **\$65**

\* **Body:(LPG-treatment)** A nonsurgical procedure that utilizes the highest ultimate technology with more than 30 esthetic/therapeutic procedures to improve your body appearance and give you the desire shape. **\$65**

\* **Laser Hair Removal:**(small area) It is a medical procedure that uses an intense light beam to remove unwanted hair. **\$25**

\* **Laser Skin Tightening + Plasma:** This minimally invasive process, non-surgical uses light source (laser) to tone the skin by heating the collagen beneath the surface of the skin. **Plasma** - is composed mainly of one's own platelets. The treatment consists of collecting several milliliters of blood (own blood) which is then spun down using a centrifuge to separate out the plasma and platelet portion from the red and white blood cells, which is then injected back into your skin. **\$250**
