To inform all teachers of Target's Field Trip Grants program.

To help fund learning opportunities outside the classroom, Target continues its Field Trip Grants program.

- As part of the program, Target stores award Field Trip Grants to K-12 schools nationwide.
- Each grant is valued at up to \$700.
- Grant applications are accepted through October 1, 2014.
- Grants are to be used to cover field-trip costs and fees. In the event the costs and fees are less than the grant amount, the balance of the grant may be utilized for other education costs, such as materials, books, and the resources related to the curriculum.
