WELCOME

I am pleased to support Miami Dade County Public Schools! Five percent of proceeds from each massage service will benefit M-DCPS direct-support organization, the Foundation for New Education Initiatives, Inc.

CONVENIENT

My Miami studio is located just up the street from school board headquarters at Danny Dillon Hair Salon. Private, free parking in lot just south of the salon.

2690 N.E. 2nd Avenue, Miami, FL 33137

SOOTHING

Most of us agree that we usually feel better after a massage — our muscles loosen up, we may move a bit easier, and we may even breathe a little deeper. Through professional skills and the utilization of the powerful sense of touch, a massage experience can help our bodies slow down, unwind, and relax.

So, visit my website, and review my service menu. Make an appointment online or call the number below.
