SUBJECT: RENEWAL OF BID #170-XX07 – VEHICLE TOWING

The purpose of this bid, opened on December 15, 1998, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of vehicle towing services, for the Department of Transportation/Vehicle Maintenance. The terms of agreement, as contained in the subject bid, awarded by the Board on March 17, 1999, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its initial year. The awardees have agreed to renew for the first one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this bid, for an additional (1) one year period, at the current prices, to benefit from fixed prices during the next twelve (12) months, since the Consumer Price Index (CPI) indicates an increase of 4%.
