**SUBJECT: REPLACEMENT OF DESIGNATED SPECIALIST – CIVIL ENGINEERS IN THE AGREEMENT DATED OCTOBER 7, 1998, WITH PJB ASSOCIATES, P.A., TO PERFORM ARCHITECTURAL/ENGINEERING SERVICES FOR STATE SCHOOL "A" PROJECT # A-0702**

On October 7, 1998, The School Board of Miami-Dade County, Florida, commissioned PJB Associates, P.A. to perform architectural/engineering services for State School "A".

In the agreement for State School "A", dated October 7, 1998 with PJB Associates, P.A., the firm of Crowder-Mahoney, Inc. was listed as the Civil Engineer. The agreement requires prior written approval by the Board for any termination or replacement of those originally designated specialists.

PJB Associates, P.A. has informed staff that the firm of Crowder-Mahoney, Inc. will not be able to serve the project architect's needs in this capacity due to a mutual understanding. PJB Associates, P.A. recommends that this firm be replaced by Goldcoast Engineering Consultants to undertake the Civil Engineering services. Crowder-Mahoney, Inc. has agreed with this recommendation.

**RECOMMENDED:** That The School Board of Miami-Dade County, Florida:

- 1) approve the substitution of designated specialist from Crowder-Mahoney, Inc. to Goldcoast Engineering Consultants to perform Civil Engineering services for State School "A"; and,
- 2) authorize the Superintendent to provide written notification of this action to PJB Associates, P.A.
