Eligible proposers are:

- A. A ~~any not for~~ nonprofit organization; or
- B. A public school which requests to convert to a charter school with at least fifty percent (50%) ~~or more support~~ of parents of children enrolled in the school voting for the conversion, and at least fifty percent (50%) ~~or more support~~ of teachers employed at the school voting for the conversion; ;

- C. a municipality;
- D. a business which requests a charter school-in-the-workplace; or
- E. a developmental research school.

{Private schools, parochial schools, and home education programs are not eligible to become charter schools.}

III. Legal Entity and Requirements

The charter school shall:

- A. ~~Organize as, or be operated by, a non-profit nonprofit~~ organization;
- B. ~~Be~~ non-sectarian;
- C. ~~Charge no tuition or fees except those fees charged by other public schools, unless the charter is issued for a developmental research school;~~
- D. ~~Meet all applicable state and local health, and safety, and civil rights requirements standards of regular schools;~~
- E. ~~Publish~~ an annual ~~progress~~ report;
- F. ~~Provide~~ an annual financial audit similar to that of the ~~School~~ ~~District~~ to the School Board; and
- G. ~~Analyze~~ and compare student performance.

~~No single organization may operate more than one elementary, one middle, and one senior high school.~~

All charter schools must comply with Florida Statutes applicable to public schools as they relate to civil rights, student health, safety, welfare, public records, public meetings, public inspection, and penalties.

IV. Student Eligibility

- A. Participation and attendance of any student in a charter school is voluntary. If a public school converts to a charter school, parents may request non-participation and receive an assignment to a another public school.

- B. All students attending a public school which that converts to a charter school will be eligible to attend.
- C. All students are eligible for participation. ~~Students who are at risk of academic failure as defined in the statute shall be a priority.~~ Equal opportunity shall be provided for ~~Exceptional Education~~ Students (ESE) and limited English proficient (LEP) students.

~~V. Charter School Boundaries~~

~~A charter school shall be open to any student residing in the school district.~~

The tenth and final payment for each school year shall be submitted to the charter school no later than July 15th to allow the school district to determine any final amounts due to the school district for services provided the charter school as well as for administrative oversight. Payment shall be made to the charter school no later than thirty (30) working days after receipt of an invoice. Payment shall be on a monthly basis in arrears based upon the estimated number of FTE students in membership during the FTE survey periods. The final payment during any fiscal year shall be adjusted to reflect the number of actual FTE students in membership during the FTE survey periods.
- I. After three (3) years of successful operation by a charter school, the school district shall calculate and submit twelve (12) monthly payments to the school by the 15th of each month, beginning with July 15th. July and August payments shall be based on prior year enrollment. September and October payments shall be based on projected enrollment for the new school year except that if enrollment at the end of the first week of school is less than ninety (90%) of the projected enrollment, then these payments shall be proportionally reduced. Thereafter, monthly payments to the charter school shall be adjusted to reflect the results of official full-time equivalent membership surveys. In order to provide educational materials to students when classes begin, the first payment shall include seventy-five percent (75%) of the full annual allocation of instructional materials based on prior year membership. The final payment for each school year shall be submitted to the charter school no later than July 15th to allow the school district to determine any final amounts due to the school district for services provided the charter school as well as for administrative oversight.
- J. Capital Outlay funds will be distributed to charter schools pursuant to the procedures established in Florida Statutes.

XV. ~~Insurance and Indemnification~~

- ~~A. The governing body and employees of a charter school are governed by Section 768.28, Florida Statutes. In accordance with Section 768.28, the governing body and employees of charter schools shall be liable for tort claims in the same manner and to the same extent as a private individual under like circumstance, but liability shall not include punitive damages or interest for the period before the judgment. The governing body and employees of charter schools shall not be liable to pay a claim or judgment by any one person which exceeds the sum of \$100,000 or any claim or judgment or portions thereof, which, when totaled with all other claims or judgments paid by the charter school arising out of the same incident or occurrence, exceeds the sum of \$200,000.~~
