

Office of Superintendent of Schools
Board Meeting of December 13, 2000

November 29, 2000

Personnel Management and Services
Nelson E. Diaz, Deputy Superintendent

**SUBJECT: APPOINT AND ASSIGN:
DIRECTOR, TECHNICAL SERVICES**

The following recommendation is made in accordance with the Miami-Dade County Public Schools/Dade County Schools Administrators' Association labor contract.

The Director I Technical Services, under the general direction of the Administrative Director of Network and Internet Services, is responsible for the overall data communications network services requirements within the district. One of the main functions of this position is to provide strategic technical direction in terms of networking/data communications technology to upper management of the Office of Information Technology; another function is to work together with the other main division of OIT to provide the Miami-Dade County Public Schools end user with complete "state-of-the-art" technology solutions.

This recommendation is the direct result of the Board-approved advertisement and selection process.

Details of this Board Agenda Item will be made available prior to the Board meeting of December 13, 2000.
