As established in School Board Rule 6Gx13- 6A-1.47, Charter Schools, Miami-Dade County Public Schools received charter school applications from individuals and/or organizations from the community. The Miami-Dade County Public Schools Charter School District Review Committee met on February 8, 2001, to review the applications, and by a majority vote, made a recommendation for acceptance or denial of each application to the Superintendent of Schools.

The committee members voted that the Henry E. S. Reeves-Edison Junior Academy application be recommended for approval. Any pending issues identified by the Miami-Dade County Public Schools Charter School District Review Committee in the recommended application will be addressed satisfactorily in the development of the charter school contractual agreement. Final implementation of the charter school will be predicated on the successful and timely completion of the charter school contractual agreement and subsequent approval by the School Board.

The charter school will serve approximately 620 students enrolled in grades 6-8, with 210 students enrolled in the first year of operation in grade 6, at 2005 NW 111 Street, Miami, Florida 33167. Ms. Lori Weldon, President, Henry E. S. Reeves Parent Teacher Student Association, will operate the charter school through a management contract with Edison Schools Incorporated.

Copies of the charter school application will be placed on file, and will be available for inspection in the School Board members' office, in the Office of the Board Recording Secretary, and the Citizen Information Center.

RECOMMENDED: That The School Board of Miami-Dade County, Florida:

1. approve the Henry E. S. Reeves-Edison Junior Academy application and authorize the negotiation of a five-year charter school contractual agreement for the 2001-2002 through 2005-2006 school years; and
2. authorize the Superintendent to negotiate with the approved applicant the charter school contractual agreement which reflects the contents of the application, as approved by the School Board. This charter school contractual agreement will be submitted for School Board consideration at a subsequent meeting at which time there will be a public hearing to provide for community input.
