(ORIGINAL CONTRACT NO. JOC00-CENTRAL II)
RENEWAL CONTRACT NO. JOC00-A-CENTRAL II**

The School Board approved the original award to F & L Construction, Inc. for Job Order Contracting Services at its meeting of April 12, 2000. Maintenance and Operations after evaluating the services rendered by F & L Construction, Inc. is requesting authorization to renew the contractual agreement for an additional period of one year. This renewal provides for project continuity in accordance with the current contract.

The proposed renewal contract includes revision of the Adjustment Factors established in the contract documents for each of the following four items:

- Item 1 - Contractor provides signed and sealed design documents for construction work to be accomplished during normal working hours (new factor 1.1117).
- Item 2 - Contractor provides signed and sealed design documents for construction work to be accomplished on an overtime basis (new factor 1.1424).
- Item 3 - Contractor does not provide signed and sealed design documents for construction work to be accomplished during normal working hours (new factor 0.9889).
- Item 4 - Contractor does not provide signed and sealed design documents for construction work to be accomplished on an overtime basis (new factor 1.1220).

Total work orders under this renewal contract are not to exceed \$1,000,000 with a \$50,000 minimum, and without further obligation by the Board.

These revisions are calculated, pursuant to Article 14 of the contract and are based on the Construction Cost Index as published by Engineering News Record. This results in an increase of 1.02362, which when applied to the base year adjustment factors of 1.0861 (Item 1), 1.1161 (Item 2), .9661 (Item 3), and 1.0961 (Item 4), result in the new adjustment factors above.

RECOMMENDED: That The School Board of Miami-Dade County, Florida authorizes the Superintendent to renew the contractual agreement with F & L Construction, Inc., Contract No. JOC00-A-Central II, with revised Adjustment Factors, commencing on the date that the current contract meets the maximum value or on April 18, 2001, whichever occurs first.
