**SUBJECT: REJECT BID NO. 065-AA07 - FURNISH AND INSTALL AIR-
CONDITIONING SYSTEMS IN MIAMI-DADE COUNTY PUBLIC
SCHOOLS BUSES**

REVISED

The purpose of this bid, opened on January 16, 2001, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of air-conditioning systems, including installation, for Miami-Dade County Public Schools buses, for the Department of Transportation, Vehicle Maintenance. This is a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Of 42 vendors sent bid forms or card notices of this advertised bid, 17 responded, with 5 bids meeting specifications, (Includes 1 vendor who submitted an alternate bid) 1 non-responsive bid (Davenport Vehicle A/C Specialist, Inc. submitted an alternate bid, however, does not have a service facility in Miami-Dade County) and 11 no bids.

Inasmuch as the specifications need to be revised, the recommendation reflects that all bids received be rejected to permit rebidding.
