

Office of Superintendent of Schools
Board Meeting of August 22, 2001

August 10, 2001

Facilities Planning and Construction
Suzanne A. Marshall, Chief Facilities Officer (Construction)

SUBJECT: REQUEST AUTHORITY TO AMEND THE EXISTING AGREEMENT WITH POST, BUCKLEY, SCHUH & JERNIGAN CONSTRUCTION SERVICES, INC. TO INCREASE THE TOTAL ALLOWABLE ANNUAL BILLINGS TO A NOT-TO-EXCEED AMOUNT OF \$500,000

The firm of Post, Buckley, Schuh & Jernigan Construction Services, Inc. (PBS&J), was commissioned by the Board on February 9, 2000, to provide Cost Estimating, Scheduling & Document Coordination Services to the District under a two-year term contract. The agreement stipulates that the billings shall not exceed \$300,000 per year.

However, staff anticipates that it will be necessary to utilize the services of PBS&J beyond the annual cap of \$300,000. Therefore, staff requests that the existing agreement be amended to increase the total allowable amount of annual billings to a maximum of \$500,000.

RECOMMENDED: That The School Board of Miami-Dade County, Florida approve the amendment of the agreement with Post, Buckley, Schuh & Jernigan Construction Services, Inc., to increase the total allowable annual billings to a not-to-exceed amount of \$500,000.
