**SUBJECT: RENEW BID NO. 048-ZZ02 – WASTE REMOVAL, HAZARDOUS BIO-MEDICAL MATERIAL (REBID)**

The purpose of this bid, opened on September 9, 1999, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of bio-medical hazardous material waste removal, for the Department of Energy, Communication and Recycling Programs. The terms of agreement, as contained in the subject bid, awarded by the Board on October 20, 1999, and renewed on August 23, 2000, provided, that by mutual agreement between the successful vendor and The School Board of Miami-Dade County, Florida, the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its first renewal period. The awardee has agreed to renew for the second one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this bid, for an additional one (1) year period, at the current prices, to benefit from fixed prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of April 2001, indicated an increase of 3.3%.
