SUBJECT: RENEW BID NO. 008-ZZ03 – MILKSHAKES, ICE CREAM, ICE MILK PRODUCTS AND FRUIT JUICE BARS

The purpose of this bid, opened on September 14, 2000, was to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of milkshakes, ice cream, ice milk products and fruit juice bars, for use in the Food Service Program of the Department of Food and Nutrition. The terms of agreement, as contained in the subject bid, awarded by the Board on December 13, 2000, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be renewed for two (2) additional one (1) year periods. The contract is currently in its initial year. The awardees have agreed to renew for the first one (1) year renewal period, by letter, on file. It is considered to be in the best interest of the Board to renew this bid, for an additional one (1) year period, at the current prices, to benefit from fixed prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of October 2001, indicated an increase of 3.4%, for food and beverages.

The Department of Food and Nutrition has requested that this bid be renewed for \$897,616, due to anticipated increased usage of Item 22A - Chocolate milkshake, Item 23A - Vanilla milkshake, and Item 25A - Juice bar, because of the inclusion of pre-made milkshakes and juice bars, a reimbursable food item, as part of the school lunch menu. This amount exceeds the authorization for awarding term bids, and requesting supplemental awards approved by the Board at its meeting of January 22, 1997. At that meeting, the Board authorized the Superintendent to, for bidding purposes, increase term bid quantities, by 10% per estimated bid item, to cover unanticipated increases in requirements, at the time the bid is issued. The recommendation requests a waiver of this requirement, in order to respond effectively to any increased usage, for milkshake products and juice bars.
