**SUBJECT: REQUEST FOR APPROVAL OF RESOLUTION NO. 02-07 OF THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, DESIGNATING MARCH 2002 AS WOMEN'S HISTORY MONTH TO BE CELEBRATED IN ALL MIAMI-DADE COUNTY SCHOOLS**

In 1998, the Florida Legislature amended Section 233.061, Florida Statutes, to require instruction in women's contributions to the United States. Throughout each school year, students in Miami-Dade County Public Schools study the many contributions of women, which is also a requirement of the district's Pupil Progression Plan and the K-12 social studies instructional program. Additionally, each year, the Congress of the United States issues a resolution designating March as Women's History Month. A Presidential Proclamation is also issued encouraging all Americans to observe this month.

The Division of Social Sciences has developed a women's history curriculum resource guide entitled *FACES, A Journey Through Women's History*, to support this mandate. This resource guide has been distributed to all schools with training provided to school-site representatives in using the materials. Additional instructional materials in FCAT format have also been developed by the Division and disseminated to all schools. Currently, the Division of Social Sciences is developing a curriculum packet to support this year's National Women's History Month Theme: "Women Sustaining the American Spirit." This material will be distributed to all schools in February.

Therefore, it is fitting that the Board approve Resolution No. 02-07 of the School Board of Miami-Dade County as a continuing example of leadership and with the recognition that it will create a heightened awareness and appreciation of the many significant contributions women have made to the United States.
