**SUBJECT: REQUEST FOR APPROVAL OF RESOLUTION NO. 02-13 OF THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, PROCLAIMING THURSDAY APRIL 25, 2002, AS "TAKE OUR CHILDREN TO WORK DAY," IN MIAMI-DADE COUNTY PUBLIC SCHOOLS**

The Ms. Foundation for Women created Take Our Daughters To Work Day ten years ago to help girls stay strong and remain confident. This nationally recognized program enables girls ages 9-15 to go to work with parents, adult mentors guardians, grandparents or other adult relatives or friends.

However, because spending a day at the workplace with parents or other adults can help heighten aspirations for boys as well as girls, three years ago Miami-Dade County Public Schools expanded the concept at the local level and provided this very special opportunity to all students between these ages. The project has been such a great success that again it is recommended that M-DCPS employees who are parents or guardians of children from ages 9-15 be encouraged to bring their children to work on April 25, 2002.

As in previous years, participating students must notify their schools prior to "Take Our Daughters/Children to Work Day." Provided all special instructions for participation are adhered to, the day will be recorded as an excused absence from the school.

**ACTION PROPOSED BY
