**SUBJECT: APPROVAL OF AN EXCEPTION TO THE STANDARD SITE SIZE
FOR THE FOLLOWING SCHOOLS**

Florida Statutes require that the educational facilities be adequate in size to meet the educational needs of the students to be served. Pursuant to s.235.19 Florida Statute, the Florida Department of Education recommends standard site sizes for educational plants. Exceptions to the recommended site sizes are allowed, provided the Board, by a two-thirds majority, recommend the site and finds that it can provide an appropriate and equitable program on such site.

An exception to the standard site size for the following schools is necessary

Details will be forthcoming.
