SUBJECT: FLORIDA COALITION AGAINST DOMESTIC VIOLENCE

Domestic violence is a crime that has an impact on many of the citizens in Miami-Dade and impacts the education of our children. When the security and comfort of a student or employee is affected because of violent acts at home, our mission in the classroom and as an employer is negatively impacted.

The Florida Coalition Against Domestic Violence (FCADV) aims to promote a violence-free world by empowering adults and children through awareness and educational activities and by providing support to affected victims. Additionally, FCADV provides support to 38 domestic violence centers statewide.

Details of this agenda item are forthcoming.
