Board Meeting of May 15, 2002

May 2, 2002

Perla Tabares Hantman, Chair

**SUBJECT: REVIEW AND ASSESSMENT OF THE SUPERINTENDENT OF SCHOOLS'
PERFORMANCE**

At the School Board meeting of February 13, 2002, I had proposed Agenda Item J-2, Subject: Superintendent of Schools' 90 Day Review and Assessment. The intent of that item was to fulfill a condition of the contract which provides for an evaluation of the Superintendent's performance on or about the 90th day of employment. I subsequently proposed, and the Board approved, to table the item for an additional 60 to 90 days so that we would have more evidence of the Superintendent's performance and the results of the reorganization of top-level positions.

Details of this Board Agenda Item will be made available prior to the Board meeting of May 15, 2002.
