SUBJECT: REJECT REQUEST FOR PROPOSALS NO. 069-BB10 – CHECK-WRITING SYSTEM

The purpose of this Request For Proposals, opened on February 14, 2002, was to establish a contract, at a firm price, to purchase a turnkey check-writing system, for the Office of Treasury Management. Of 6 proposers sent proposal forms or card notices of this advertised proposal, 2 responded, with 2 non-responsive proposals.

The evaluation committee reviewed the proposals and unanimously recommended rejecting all proposals based on the proposers' inability to meet the scope of work delineated in the Request For Proposals.

Inasmuch as all proposals received were non-responsive, the recommendation reflects that all proposals be rejected. Staff will pursue alternate solutions.
