Financial Affairs
Richard H. Hinds, Chief Financial Officer

SUBJECT: REQUEST APPROVAL OF SUPPLEMENTAL AWARDS ON TERM BIDS

The purpose of this request is to obtain prior approval of a supplemental award on the following term bids, inasmuch as the estimated requirements, previously awarded by the Board, will be exceeded before the bid terms expire.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, **APPROVE** the supplemental award on the following term bids, inasmuch as the estimated requirements, previously awarded by the Board, will be exceeded before the bid terms expire.

(1)

Bid No. 058-AA03 – FOOD SERVICE EQUIPMENT, ACCESSORIES AND KITCHENWARE, CATALOG DISCOUNT, to establish a contract, to purchase, at firm percentage discounts, quantities, as may be required, for food service equipment, accessories, and kitchenware, for the Department of Food and Nutrition Food Service Program, during the term of the bid, effective April 18, 2001, through October 17, 2002. This supplemental award is requested due to high volume of old equipment being replaced, and usage of this contract by other departments, such as Family and Consumer Sciences, Furniture Fixtures and Equipment, Stores and Mail Distribution, and various school sites' Home Economic classes. This is a new contract with no previous usage history, based on a catalog discount structure. This year's usage has averaged \$293,090.62 per month. The supplemental amount requested is based on the average monthly expenditure, times the twelve (12) month contract period, minus the original award amount.

(2)

Bid No. 281-XX02 – UNDERGROUND PETROLEUM STORAGE TANKS: REMOVAL AND CLEAN UP, to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of removal and clean up of underground storage tanks, for Maintenance Operations, Environmental Compliance and Administration, during the term of the bid, effective October 1, 2001, through September 30, 2002. This supplemental award is requested due to unanticipated DERM requirements and the extent of contamination at various M-DCPS facilities. The supplemental amount requested is based on the projects required through the end of the contract period.

(3)

Bid No. 121-ZZ02 - PETROLEUM POLLUTION SITE ASSESSMENT REPORTS, to establish a contract, to purchase, at firm unit prices, quantities, as may be required, of petroleum pollution site assessment reports, for Maintenance Operations, Environmental Compliance and Administration, during the term of the bid, effective October 1, 2001, through September 30, 2002. This supplemental award is requested due to unanticipated DERM requirements and the extent of contamination at Shenandoah Middle School as a result of a capital construction project which inadvertently covered up existing monitoring wells. The supplemental amount requested is based on the projects required through the end of the contract period.
