This is a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Of 360 vendors sent bid forms or card notices of this advertised bid, 55 responded, with 38 bids meeting specifications, (not all vendors bid all items), 3 bids not meeting specifications, as follows: CRS, Electronic - did not offer discounts, Metro Diesel and Turbo Services, Inc., offered price range instead of required discounts and Perry Maynard Int'l., Inc., d.b.a. Inasmuch as the description of item 22 – Miscellaneous Hardware, is ambiguous, it is recommended that all bids received for this item be rejected.

No bids were received for Item 33 - Muffler and exhaust repairs, Item 35 - Transmission repairs, and Item 36 - Upholstery. The recommendation reflects that these items be rejected. Competitive prices will be solicited for these items, as the need arises, pursuant to Board Rule 6Gx13- 3C-1,111 -- Bidding Process -- Competitive Bidding Requirements, which describes the procedures and guidelines to be used for bidding based on the estimated dollar expenditure.
