

Personnel Management and Services
Magaly C. Abrahante, Chief Personnel Officer

**SUBJECT: APPOINTMENTS AND LATERAL ASSIGNMENTS OF MANAGERIAL EXEMPT,
PROFESSIONAL, AND TECHNICAL PERSONNEL FOR 2002-2003**

The following recommendations are made in accordance with Board Rules 6Gx13- 4A-1.16, 6Gx13- 4A-1.161, and the Miami-Dade County Public Schools/Dade County Schools Administrators' Association labor contract.

Considerations for reassignments of managerial exempt, professional, and technical personnel were predicated upon an intensive review of information by the appropriate administrators and the Superintendent of Schools.

The recommended managerial exempt, professional, and technical personnel appointments reflect the honoring of requests for lateral reassignments, where possible. Assignments of personnel and appointments of managerial exempt, professional, and technical staff are a direct result of the Board-approved advertisement and selection process.

State Statutes and subsequent changes in Board rules governing Management Selection require that all first year principalship appointments be "Interim" appointments.

In order to fill school-site allocations and other allocations vacated by promotion, leave, retirement, and other attritional factors, it is recommended that the following personnel assignments be authorized by the School Board. These recommendations may be supplemented prior to the Board meeting as necessary to assure efficient school system operations.
