**SUBJECT:           EXTEND CONTRACT NO. 058-AA03 - FOOD SERVICE  
EQUIPMENT, ACCESSORIES AND KITCHENWARE, CATALOG  
DISCOUNT**

**COMMITTEE:       FINANCIAL AFFAIRS**

The purpose of the bid, opened on January 9, 2001, was to establish a contract, to purchase, at firm percentage discounts, quantities, as may be required, of food service equipment, accessories and kitchenware, for the Department of Food and Nutrition Food Service Program. The terms of agreement, as contained in the contract, awarded by the Board on April 18, 2001, provided that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be extended for two (2) additional one (1) year periods. The contract is currently in its initial year. The awardees have agreed to extend for the first one (1) year extension period, by letter, on file, with the exception of Smith Restaurant Supply, Inc., of Syracuse, New York, who elected not to extend. It is considered to be in the best interest of the Board to extend this contract, for an additional one (1) year period, at the current prices, to benefit from fixed prices, during the next twelve (12) months, inasmuch as the Consumer Price Index (CPI), as of June 2002, indicated an increase of 1.1%.

The Department of Food and Nutrition has requested that this bid be renewed for \$3,406,397.41 due to anticipated purchases of ventless hood fryers, in the amount of \$60,000, for secondary schools. This amount exceeds the authorization for awarding term bids and requesting supplemental awards approved by the Board at its meeting of January 22, 1997. At that meeting, the Board authorized the Superintendent to, for bidding purposes, increase term bid quantities by 10% per estimated bid item, to cover unanticipated increases in requirements, at the time the bid is issued. The recommendation requests a waiver of this requirement in order to respond effectively to any request for ventless hood fryers.
