SUBJECT: EXTEND CONTRACT NO. 041-ZZ04 – DISTRICT SOFTWARE LICENSING AND SPECIAL PURCHASING AGREEMENT

COMMITTEE: FINANCIAL AFFAIRS

The purpose of the bid, opened on November 2, 1999, was to establish a contract, with a maximum of two (2) vendors as providers/managers of software licensing agreements for comprehensive educational software, to various school locations. The terms of agreement, as contained in the contract, awarded by the Board on December 8, 1999, and extended on October 24, 2001, provided, that by mutual agreement between the successful vendors and The School Board of Miami-Dade County, Florida, the contract may be extended for three (3) additional one (1) year periods and, if needed, ninety (90) days beyond the expiration date of the current contract period. The contract is in its first extension period. The awardees have agreed to extend for the final ninety (90) day extension period, by letter, on file. It is considered to be in the best interest of the Board to extend this bid, for an additional ninety (90) day period, at the current prices, to benefit from fixed prices, inasmuch as the Consumer Price Index (CPI), as of August 2002, indicated an increase of 1.8%. It is considered to be in the best interest of the Board to renew this contract, for an additional ninety (90) day period, at the current prices, to provide continuity of service while a new bid is being developed.
