

Education  
Mercedes Toural, Associate Superintendent

**SUBJECT: REQUEST FOR AUTHORIZATION TO ACCEPT GRANT AWARDS FROM THE FLORIDA DEPARTMENT OF EDUCATION FOR FUNDING UNDER THE PUBLIC CHARTER SCHOOL FEDERAL GRANT PROGRAM AND ENTER INTO SEPARATE CONTRACTUAL AGREEMENTS WITH DORAL ACADEMY HIGH SCHOOL, INC., ON BEHALF OF DORAL ACADEMY CHARTER HIGH SCHOOL; AND PINECREST ACADEMY, INC., ON BEHALF OF PINECREST PREPARATORY ACADEMY, PROJECT CYCLE: SEPTEMBER 19, 2002 THROUGH JUNE 30, 2003**

**COMMITTEE: FEDERAL PROGRAMS AND GRANTS ADMINISTRATION**

The Florida Department of Education (FDOE) issued a Request for Proposals under the Public Charter School Federal Grant Program for the purpose of awarding grants to charter schools partnering with local educational agencies in order to provide a high quality education for all students. The Public Charter School Federal Grant Program provides funds only to those charter schools which have been approved by the local school district, and which have established a collaborative partnership for the oversight and operation of the charter schools. Funds received from this grant will be used to continue activities, improve the quality of education, support planning activities, and supplement the level of funds that would be made available from non-federal sources.

In collaboration with Miami-Dade County Public Schools (M-DCPS), Doral Academy Charter High School and Pinecrest Preparatory Academy submitted grant applications to support charter school operations. It is anticipated that the charter schools will receive the following funding amounts:

Charter School	Grant Type	Amount of Grant	Indirect Cost	Contract Amount
Doral Academy Charter High School	2nd Year Continuation	\$233,150	\$8,275	\$224,875
Pinecrest Preparatory Academy	2nd Year Continuation	\$233,150	\$8,275	\$224,875

**B-61**

In accordance with the FDOE grant guidelines, M-DCPS will serve in a collaborative partnership with each charter school in the oversight and operation of the school. The Board's approval of the recommended action would not constitute an endorsement of the grant or its intended use. It would merely satisfy the Board's requirement under Section 228.056, Florida Statutes, Charter Schools (new Section 1012.32, F.S.), which requires that M-DCPS monitor the revenues and expenditures of the charter school.

Authorization is requested for M-DCPS to enter into separate contractual agreements with the aforementioned charter schools for the amounts indicated. The charter schools will be responsible for implementing the programs outlined in their respective grant applications and expending the grant funds.

Official notification relative to these grant awards was received on October 8, 2002. The budget period for these grant awards allows for the reimbursement of expenditures beginning September 19, 2002.

No local funds are required.

**RECOMMENDED:** That The School Board of Miami-Dade County, Florida, authorize the Superintendent to:

1. accept the grant awards from the Florida Department of Education, in the total amount of \$466,300, for funding under the Public Charter School Federal Grant Program and enter into separate contractual agreements with Doral Academy High School, Inc., on behalf of Doral Academy Charter High School, in an amount not to exceed \$224,875; and Pinecrest Academy, Inc., on behalf of Pinecrest Preparatory Academy, in an amount not to exceed \$224,875. Project Cycle: September 19, 2002 through June 30, 2003;
2. extend these grant programs and contractual agreements, at no additional cost, for up to one year, as authorized through official notification from the granting agency, if deemed necessary, in order to fully expend the grant awards and thus complete the scope of the projects; and
3. direct Financial Affairs to establish appropriations in the amounts approved by the granting agency; such appropriations to be reported periodically to the Board.
