**SUBJECT: FINAL REPORT ON DOLLARS TO THE CLASSROOM ACT FOR 2001-02**

**COMMITTEE: FINANCIAL AFFAIRS**

Pursuant to Section 1011.64 F.S., beginning in fiscal year 2001-02, the Legislature requires that any school district that fails to meet minimum academic performance standards, must increase classroom expenditures from operating funds.

Additionally, the Legislature requires that a final report, prepared at the end of each fiscal year, include information that clearly indicates the degree of each district's compliance or noncompliance with the requirements of this section. If not fully compliant, the district shall include a statement that has been adopted at a public hearing and signed by the district school superintendent and district school board members, which explains why the requirements of this section have not been met.

Staff is currently preparing the final report. A copy of the report will be available not later than noon, December 6, 2002.
