**SUBJECT: EXTENSION OF CONTRACTUAL AGREEMENT WITH MURTON
ROOFING CORP.
PROJECT NO. BB0642
ROOFING TERM CONTRACT 2002-2003
VARIOUS LOCATIONS**

COMMITTEE: FACILITIES MANAGEMENT

Since 1997, Maintenance Operations has utilized term bid contracts for repairs and limited replacement of roofs throughout the District. At its meeting of July 10, 2002, The School Board approved just such an award to Murton Roofing Corp. for a period of one year, or until a maximum expenditure of \$2,000,000 is realized, whichever occurs first. Maintenance Operations anticipates that the expenditure limit will be reached prior to July 9, 2003, and is therefore requesting authorization to extend this contractual agreement, at original prices, for an additional one-year period, or \$2,000,000, commencing on the date of maximum expenditure or July 10, 2003, whichever occurs first. This extension is consistent with information presented to the Board at the time of the award, and is in conformance with Article 1 of the existing agreement.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, authorize the Superintendent to extend the contractual agreement with Murton Roofing Corp. for an additional \$2,000,000, for a period of one year commencing on the date the current contract meets the maximum value, or on July 9, 2003, whichever occurs first.
