**SUBJECT: REJECT REQUEST FOR PROPOSALS NO. 025-DD10 – FLEET
MAINTENANCE SOFTWARE**

COMMITTEE: BUSINESS AND FINANCIAL SERVICES

The purpose of the Request For Proposals, opened on September 18, 2003, was to establish a contract, at a firm price, to provide a software system, that will enable the Vehicle Maintenance Division to improve the management of its fleet maintenance program, for the Department of Transportation. Of 20 proposers sent proposal forms or card notices of this advertised proposal, 6 responded.

The evaluation committee met on September 25, 2003, and determined that the 6 proposals received were non-responsive. It is determined to be in the best interest of the District to reject all proposals and rebid these services, using revised specifications.
