**SUBJECT: FLIGHT PATH ZONES**

**COMMITTEE: LEGISLATIVE RELATIONS, PUBLIC RELATIONS AND PERSONNEL SERVICES**

At its October 22<sup>nd</sup> meeting, the School Board heard from concerned parents on the impact of pending local ordinances limiting the construction of educational facilities within the airport "flight path" and requested an analysis from staff within two months.

Since that time, the Miami-Dade County Commission has deferred any action on that ordinance indefinitely and showed interest in joining with the School Board in seeking flexibility from the state legislature for the construction of educational facilities.
