

Rudolph F. Crew, Ed.D., Superintendent of Schools

SUBJECT: APPOINTMENTS AND LATERAL ASSIGNMENTS OF MANAGERIAL EXEMPT, PROFESSIONAL AND TECHNICAL PERSONNEL FOR 2004-2005

COMMITTEE: SCHOOL SUPPORT ACCOUNTABILITY

The following recommendations are made in accordance with Board Rules 6Gx13- 4A-1.16, 6Gx13 -4A-1.161, and the Miami-Dade County Public Schools/Dade County School Administrators' Association labor contract.

Considerations for reassignments of managerial exempt, professional and technical personnel were predicated upon an intensive review of information by appropriate administrators.

The recommended managerial exempt, professional and technical personnel appointments reflect the honoring of requests for lateral reassignments, where possible. Assignments of personnel and appointments of managerial exempt, professional and technical staff may be a result of the Board-approved advertisement and selection process, or by a direct appointment of an individual who has demonstrated the specific qualifications and background applicable to the position.

State Statutes and subsequent changes in Board rules governing Administrative/Professional and Technical Staffing require that all first year principalship appointments be "Interim" appointments.

In order to fill school-site allocations and other allocations vacated by promotion, leave, retirement, and other attritional factors, it is recommended that the following personnel assignments be authorized by the School Board. Revisions, additions and /or deletions may be made to the recommended personnel assignments, as necessary, to assure efficient school system operations, and if such modifications are made, a revised Board item will be submitted prior to the Board meeting.
