The purpose of this request is to obtain prior approval of the supplemental award on the following term contract, inasmuch as the estimated requirements, previously awarded by the Board, will be exceeded before the contract term expires.

**RECOMMENDED:** That The School Board of Miami-Dade County, Florida, **APPROVE** the supplemental award on the following contract, inasmuch as the estimated requirements, previously awarded by the Board, will be exceeded before the contract term expires.

Contract No. 012-GG04 – WIRING, TELECOMMUNICATION (FURNISH AND INSTALL, VOICE AND DATA), is to furnish materials and labor to install wiring for voice and data systems and to provide underground conduit and raceway in schools and other buildings, for Information Technology Services, during the term of the bid, effective February 1, 2007, through June 30, 2009. This supplemental award is requested due to a major unanticipated increase in wiring materials (mainly copper and fiber), E-rate approvals and additional requirements for new schools and facilities. The previous contract usage averaged \$234,670 per month, while this year's usage has averaged \$299,318.46 per month. The supplemental amount requested is based on the next six months' usage.
