SUBJECT: MIAMI SENIOR HIGH SCHOOL - STATUS REPORT

**COMMITTEE: INSTRUCTIONAL EXCELLENCE AND COMMUNITY
ENGAGEMENT**

**LINK TO DISTRICT
STRATEGIC PLAN: IMPROVE STAKEHOLDER SATISFACTION**

At last month's Board Meeting I brought an item that addressed the issues of the renovations and additions of Miami Senior High School. At that meeting the community, including representatives of the school's alumni, expressed their frustration with the numerous delays and lack of progress and requested that updates be provided so as to be kept informed. The entire board agreed that this matter had to be expedited.

This project should be kept in the limelight in order to reassure the community and the board that progress is occurring.

In a continuing effort to keep all stakeholders apprised of the progress on the renovation and construction projects at Miami Senior High School, this item proposes that a status report be provided at every School Board Meeting until the project is completed.

**ACTION PROPOSED BY
DR. MARTA PÉREZ:**

That The School Board of Miami-Dade County, Florida, direct the Superintendent to provide a report to the School Board on the status of construction/renovation at Miami Senior High School at every School Board Meeting until the project is completed.
