SUBJECT: REQUEST THAT THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, RECEIVE THE STATE-MANDATED ANNUAL "SAFETY AND SECURITY BEST PRACTICES" SELF-ASSESSMENT, AND AUTHORIZE THE SUPERINTENDENT TO REPORT THE SELF-ASSESSMENT RESULTS AND SCHOOL BOARD ACTION TO THE COMMISSIONER OF EDUCATION BY JULY 1, 2009

COMMITTEE: SCHOOL SUPPORT ACCOUNTABILITY

LINK TO DISTRICT STRATEGIC PLAN: CREATE A SYSTEM TO ANTICIPATE, PREPARE FOR, AND MEET THE CHANGING SECURITY NEEDS OF THE DISTRICT.

Former Governor Jeb Bush signed into law HB 267, Safe Passage Legislation, which requires school districts to use the Office of Program Policy Analysis and Government Accountability's (OPPAGA) "Safety and Security Best Practices" to conduct a self-assessment of their current safety and security practices. The Safe Passage Act was a product of the 2001 Legislature to ensure every child a safe passage through Florida's education system.

Specifically, Section 40 of this bill states:

1. The "Safety and Security Best Practices" developed by OPPAGA and approved by the Commissioner of Education shall be reviewed annually by OPPAGA and the Partnership for School Safety and Security established in s. 1006.07(6), Florida Statutes, and each entity shall make recommendations to the Commissioner of Education for the addition, revision, or deletion of best practices.

2. Each school district shall use the "Safety and Security Best Practices" to conduct a self-assessment of the school district's current safety and security practices. Based on these self-assessment findings, the superintendent of each school district shall provide recommendations to the school board, which identifies strategies, and activities that the school district should implement in order to improve school safety and security. By July 1, 2009,

D-40

and annually thereafter, each school board must receive the self-assessment results at a publicly noticed school board meeting to provide the public with an opportunity to hear the school board members discuss and take action on the report findings. Each superintendent shall report the self-assessment results and school board action to the Commissioner of Education within 30 days following the school board meeting.

The self assessment considered safety in the broadest sense. The "Safety and Security Best Practices" includes physical security and facilities, fire and casualty safety, regulations associated with safety or risk management departments, violence prevention and other activities linked to law enforcement and security departments and the all-hazard approach to critical incidents that is the basis of emergency management.

Copies of the "Safety and Security Best Practices" self-assessment report will be transmitted to School Board Members under separate cover and are available for inspection by the public in the Office of the Recording Secretary, Room 924, and the Citizen Information Center, Room 158, 1450 NE Second Avenue, Miami, 33132.

- RECOMMENDED:** That The School Board of Miami-Dade County, Florida, authorizes the Superintendent to:
1. receive the "Safety and Security Best Practices assessment results; and
 2. authorize the Superintendent of Schools to report the self-assessment results and School Board action to the Commissioner of Education by July 1, 2009.
